# RIMFIRE SCOPE RINGS TALLEY 30MM LOW (0.35") 11MM CZ RINGS, BLACK

## Safety Instruction Guide

### Introduction

Thank you for choosing the RIMFIRE SCOPE RINGS TALLEY 30MM LOW. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope rings. Please read this document carefully before use.

### General Safety Guidelines

To ensure your safety and the proper functioning of the product, please follow these general safety guidelines:

- Always inspect the product for any damage or defects before use.
- Ensure that the scope rings are compatible with your scope and firearm.
- Follow all applicable local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and vulnerable individuals.
- Do not modify the product in any way, as this may compromise its safety and performance.
- Report any unsafe products or accidents to the relevant authorities.

### Specific Safety Precautions for Use

When using the RIMFIRE SCOPE RINGS, please observe the following safety precautions:

- Ensure that the scope rings are securely mounted to the firearm before use.
- Use the appropriate tools for installation to avoid damaging the screws or rings.
- Do not overtighten the Torx® clamp screws, as this may lead to damage.
- Regularly check the tightness of the screws, especially after heavy use.
- Avoid using the scope rings in extreme weather conditions without proper precautions.

### Instructions for Installation and Usage

To install and use the RIMFIRE SCOPE RINGS, please follow these instructions:

#### 1. Prepare for Installation:

- Gather the necessary tools, including a Torx® screwdriver.
- Ensure that the firearm is unloaded and pointed in a safe direction.

#### 2. Mounting the Scope Rings:

- Place the lower half of the scope rings onto the base of the firearm.
- Align the dovetails properly to ensure a secure fit.
- Place the scope into the lower halves of the rings.

#### 3. Securing the Scope:

- Carefully place the top halves of the rings onto the scope.
- Align the tops with the lower halves, ensuring that the scope is level.
- Insert and handtighten the Torx® clamp screws into the top halves.

#### 4. Final Tightening:

- Using the Torx® screwdriver, tighten the screws gradually and evenly.
- Do not overtighten; ensure that the scope is held securely without excessive force.

#### **5. PostInstallation Check:**

- After installation, check the alignment and stability of the scope.
- Test the setup at a safe shooting range before regular use.

### **Disposal Instructions**

When it comes time to dispose of the product, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods for metal components.
- If the product is damaged or no longer usable, consider recycling the materials where possible.

### **Contact Information for Further Support**

For any inquiries or further assistance regarding the RIMFIRE SCOPE RINGS, please contact the manufacturer or refer to the product packaging for additional information.

By following these guidelines, you can ensure the safe and effective use of your RIMFIRE SCOPE RINGS TALLEY 30MM LOW. Thank you for your attention to safety.
