

1911 BARREL FITTING JIG - APEX TACTICAL SPECIALTIES INC 1911 BARREL FITTING JIG

[Gunsmith Tools](#) > [Handgun Tools](#) > [Barrel Tools](#) > [Barrel Fitting Tools](#)

Makes a Time-Consuming Task Easy - Without Sacrificing Precision

Apex Tactical's 1911 Barrel Fitting Jig securely retains any 1911 pistol barrel in the proper position for filing both length and width of the hood to ensure a precise fit to the slide. Apex's fixture is so versatile it will even work on bull barrels - no bullsh... uh, baloney! The solid base of the 1911 Barrel Fitting Jig is machined from billet aluminum, then anodized in Apex Tactical Red for excellent corrosion and wear-resistance. A hardened steel screw goes through the barrel's link pin holes to retain it in a cutout on the base. Another slot provides plenty of clearance to access the hood with the proper file. (File not included, but we offer plenty of gunsmithing files separately.) Also included: a nylon strap to cinch the barrel down while you work. Rugged aluminum & steel construction for a lifetime of service Accepts ALL 1911 barrels - even bull barrels Base can be clamped in a bench vise for rock-steady support The 1911 Barrel Fitting Jig from Apex Tactical seems so simple, yet provides you with a substantial leg up in achieving perfect barrel-to-slide lockup. A great aid in building a better custom 1911 or accurizing an old one.

1911 Barrel Fitting Jig Safety Instructions

Introduction

Thank you for choosing the 1911 Barrel Fitting Jig from Apex Tactical Specialties Inc. This product is designed to help you achieve a precise fit of your 1911 pistol barrel to the slide. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure the workspace is clean, dry, and welllit.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the jig.
- Keep the jig out of reach of children and unauthorized users.
- Inspect the jig for any damage or wear before each use. Do not use if damaged.
- Follow all local laws and regulations regarding the use and modification of firearms.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Handling of the Jig:**
 - Always handle the jig with care to prevent accidents.
 - Do not apply excessive force when securing the barrel in the jig.
- **Using Tools:**
 - Use only the appropriate files and tools when working on the barrel. Ensure they are in good condition.
 - Be cautious of sharp edges on the files and the jig.
- **Work Environment:**
 - Work in a wellventilated area to avoid inhaling dust or debris created during filing.
 - Keep your work area free from clutter to prevent accidents.
- **Barrel Retention:**
 - Ensure the barrel is securely retained in the jig before beginning any filing work.
 - Check that the nylon strap is properly cinched to prevent movement during use.

Instructions for Installation and Usage

1. Setup the Jig:

- Place the 1911 Barrel Fitting Jig on a stable work surface or clamp it in a bench vise for added stability.
- Ensure that the base of the jig is secure and will not move during use.

2. Insert the Barrel:

- Select the appropriate 1911 barrel and inspect it for any defects.
- Align the barrel with the cutout on the base of the jig.
- Insert the hardened steel screw through the barrel's link pin holes to secure it in place.

3. Accessing the Hood:

- Use the provided slot to gain access to the hood of the barrel.
- Ensure you have the proper file ready for use. (Note: File not included; available separately.)

4. Filing Process:

- Carefully file the length and width of the hood as needed, checking the fit frequently.
- Take your time and do not rush the filing process to ensure accuracy.

5. Completion:

- Once the desired fit is achieved, remove the barrel from the jig.
- Clean up any debris from the work area.

Disposal Instructions

- Dispose of the jig in accordance with local regulations regarding metal products.
- If any components of the jig are damaged or worn beyond use, ensure they are disposed of safely to prevent injury.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Barrel Fitting Jig, please refer to the manufacturer's website or contact customer support. Always ensure you have the product details available for faster assistance.
