# AR15 HEX Triple Dimple Jig Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 HEX Triple Dimple Jig by Black Rifle Disease Engineering. This guide provides essential safety information to ensure the safe use and handling of your product. Please read this guide carefully before using the jig.

## General Safety Guidelines

- Ensure the jig is used in a welllit and clean workspace to prevent accidents.
- Always wear appropriate personal protective equipment (PPE) such as safety goggles, gloves, and hearing protection when using the jig.
- Keep the jig out of reach of children and unauthorized users.
- Inspect the jig for any damage or wear before each use. Do not use if damaged.
- Follow the manufacturer's specifications for the jig to ensure safe operation.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the jig only for its intended purpose, as specified in this guide.
- Do not exceed the recommended drilling speeds and pressures to avoid tool failure.
- Be cautious of sharp edges and moving parts when operating the jig.
- Ensure that all fasteners are secure before using the jig.
- Avoid wearing loose clothing or jewelry that may become caught in the jig during operation.
- Do not operate the jig while under the influence of drugs, alcohol, or medication that may impair your ability to operate machinery safely.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before beginning the installation.
- Ensure that the workspace is clean and free of any obstructions.

### 2. Installation:

- Position the jig securely on a stable work surface.
- Use clamps to secure the jig in place if necessary.
- Ensure that the 0.765" bore is aligned with the drilling area on your workpiece.

### 3. Usage:

- Select the appropriate drill bit size (11/64") for your project.
- Insert the drill bit into the drilling machine and set the speed according to the material being drilled.
- Begin drilling by applying steady pressure. Do not force the drill bit.
- After completing the drilling, carefully remove the jig and clean the area of any debris.

### 4. PostUsage:

- Clean the jig after each use to maintain its performance.

- Store the jig in a dry place away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of the jig responsibly according to local regulations.
- If the jig is no longer usable, consider recycling the metal components where possible.
- Do not dispose of the jig in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 HEX Triple Dimple Jig, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety and for choosing our product. Enjoy your project with the AR15 HEX Triple Dimple Jig!
