Consumer Safety Instruction Guide for the Lee Precision 3 Die Replacement Box

Introduction

Thank you for choosing the Lee Precision 3 Die Replacement Box. This guide provides important safety instructions and guidelines to ensure the safe use of your product. Please read this guide carefully before using the box to store your rifle and pistol dies.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to store rifle and pistol dies.
- Keep the box out of reach of children to prevent accidental injury or misuse.
- Regularly inspect the box for any signs of damage or wear. Do not use the box if it is damaged.
- If you notice any unusual odors, colors, or changes in shape, discontinue use immediately and seek assistance.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended capacity of three dies in the box to avoid deformation or damage.
- Ensure that dies are securely placed in the box to prevent movement during storage.
- Avoid exposing the box to extreme temperatures or direct sunlight for prolonged periods, as this may affect the integrity of the plastic.
- Use caution when handling dies, as they may have sharp edges. Always wear appropriate safety gear when handling tools and dies.

Instructions for Installation and Usage

1. Unpacking the Box

- Carefully remove the box from its packaging.
- Inspect the box for any visible damage or defects.

2. Placing the Dies in the Box

- Open the box lid and place your dies inside the designated compartments.
- Ensure that each die is positioned securely and does not protrude from the box.

3. Closing the Box

- Once the dies are securely placed, close the lid firmly to ensure it is sealed.
- Check that the lid is properly closed before storing the box.

4. Storing the Box

- Store the box in a cool, dry place away from direct sunlight and moisture.
- Avoid stacking heavy objects on top of the box to prevent crushing.

Disposal Instructions

- When disposing of the Lee Precision 3 Die Replacement Box, follow local regulations for plastic waste disposal.

- If the box is damaged beyond use, consider recycling it if facilities are available in your area.
- Do not burn the box, as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Lee Precision 3 Die Replacement Box, please reach out to the appropriate contact point in your region. Ensure you have the product details ready for a prompt response.

Thank you for prioritizing safety while using your Lee Precision 3 Die Replacement Box. Your adherence to these guidelines helps ensure a safe and effective experience.
