# PISTOL CARBIDE 3 DIE SETS LEE PRECISION STEEL 3DIE SET 7.62 RUSSIAN NAGANT Safety Instructions

## Introduction

Thank you for choosing the PISTOL CARBIDE 3 DIE SET by LEE PRECISION. This product is designed for reloading ammunition for the 7.62 Russian Nagant. To ensure your safety and the safety of others, please read this instruction guide carefully before using the product.

## General Safety Guidelines

- Always handle all reloading equipment with care and respect.
- Ensure that you are in a safe environment when using this die set.
- Keep the die set and all reloading components out of reach of children.
- Always wear appropriate safety gear, including safety glasses, when reloading.
- Follow local laws and regulations regarding ammunition reloading and storage.
- Be aware of the potential hazards associated with handling ammunition components, including lead exposure and the risk of fire.

## Specific Safety Precautions for Use

### • Hazardous Materials:

- The components involved in reloading may include lead and other materials that can be harmful if ingested or inhaled. Always wash your hands after handling.

### • Fire Safety:

- Keep all flammable materials away from your reloading area.
- Store powder and primers in a cool, dry place, away from direct sunlight and heat sources.

### • Equipment Safety:

- Inspect all components of the die set for damage before use.
- Do not use the die set if any components are damaged or missing.

### • Age Restrictions:

- This product is intended for use by individuals over the age of 18. Ensure that minors are supervised at all times when in the vicinity of reloading activities.

## Instructions for Installation and Usage

### 1. Setup:

- Ensure your reloading press is securely mounted and stable.
- Gather all necessary components: Carbide Full Length Sizing Die, Bullet Seating Die, Powder Thru Expanding Die, Shell Holder, Powder Dipper, and Instructions/Load Data.

### 2. Installation:

- Install the Carbide Full Length Sizing Die into the reloading press according to the manufacturer's instructions.
- Follow the same procedure for the Bullet Seating Die and Powder Thru Expanding Die.

### **3. Reloading Process:**

- Refer to the Load Data provided with your die set for specific measurements and instructions.
- Always doublecheck powder charges and bullet seating depths.

### **4. Cleaning:**

- Clean the dies after each use to prevent residue buildup.
- Use a soft cloth and appropriate cleaning solutions designed for reloading equipment.

## **Disposal Instructions**

- Dispose of any unused or expired reloading components according to local regulations.
- Do not dispose of hazardous materials in regular trash. Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the PISTOL CARBIDE 3 DIE SET, please refer to the manufacturer's customer service resources.

By following these safety instructions, you can help ensure a safe and effective reloading experience. Always prioritize safety and compliance with local laws and regulations when using this product.
