

4 HOLE TURRET PRESS WITH AUTO INDEX - LEE PRECISION 4 HOLE TURRET PRESS WITH AUTO INDEX

[Reloading](#) > [Reloading Kits](#)

The Lee 4 Hole Turret Press with Auto Index is locked into a solid steel ring with big rifle bolt type lugs. Patented design puts the lugs on the circumference so there can be no tipping. The linkage is so powerful that the largest magnum cases are sized with ease. Effort required is so small that the usual heavy bench is not essential. The Lee Turret Press has built-in primer catcher, longer stroke, more hand clearance and a comfortable new foam grip. Even if you do not need all of these features, why pay more for anything less? In fact, you will want a Lee Turret Press even if you already own a more expensive one. The forth hole in the turret allows you to install your Lee Factory Crimp Die or taper crimp die in the press. The auto index on the press is capable of loading cartridges with an overall length of 2.313" or less.

Attributes

- Name: [LEE PRECISION 4 HOLE TURRET PRESS WITH AUTO INDEX](#)

Safety Instruction Guide for the Lee 4 Hole Turret Press with Auto Index

Introduction

Thank you for choosing the Lee 4 Hole Turret Press with Auto Index. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your reloading press. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** Always ensure that the press is used according to the manufacturer's instructions to avoid accidents and injuries.
- **Enhanced Recalls:** Stay informed about any product recalls associated with this press. Check the Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Keep the press out of reach of children and ensure that it is used only by individuals who understand its operation.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate system for any alerts regarding the safety of this product.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the press.
- Ensure that the work area is clean, dry, and welllit to prevent accidents.
- Do not exceed the recommended maximum cartridge length of 2.313 inches to avoid malfunction.
- Keep hands and clothing clear of moving parts to prevent entanglement or injury.
- Never attempt to modify the press or use it for purposes other than its intended use.
- Store the press in a secure location when not in use to prevent unauthorized access.

Instructions for Installation and Usage

Installation

1. **Choose a Suitable Location:** Select a sturdy, flat surface for installation. Ensure that the area is free from clutter.
2. **Secure the Press:** Lock the turret press into place using the provided mounting hardware. Ensure it is stable and does not wobble.
3. **Install the Die:** Insert the Lee Factory Crimp Die or taper crimp die into the fourth hole of the turret as needed.
4. **Check Alignment:** Ensure that all components are properly aligned before use.

Usage

1. **Load the Cartridges:** Follow the manufacturer's instructions for loading cartridges into the press.
2. **Engage the Auto Index:** Ensure that the auto index feature is functioning correctly before beginning the reloading process.
3. **Monitor the Process:** Keep an eye on the operation of the press during use to ensure it is functioning smoothly.
4. **Clean the Press:** After use, clean the press to remove any debris or residue that may have accumulated.

Disposal Instructions

When disposing of the Lee 4 Hole Turret Press, please follow local regulations regarding electronic waste and materials. Ensure that any unused or spent components are disposed of safely and responsibly.

Contact Information for Further Support

For any questions or concerns regarding the Lee 4 Hole Turret Press with Auto Index, please refer to the contact information provided by your retailer or manufacturer. They can assist you with any safety inquiries or product support you may need.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your Lee 4 Hole Turret Press with Auto Index. Thank you for your attention to safety.
