Safety Instruction Guide for CASE LENGTH GAUGES LEE PRECISION LEE LENGTH GAUGE/SHELLHOLDER, 300 AAC BLACKOUT

Introduction

Thank you for choosing the CASE LENGTH GAUGES LEE PRECISION LEE LENGTH GAUGE/SHELLHOLDER designed for 300 AAC Blackout cartridges. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure you are familiar with the product and its intended use before operating.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product for any purpose other than its intended use.
- Regularly inspect the gauge for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about recalls or safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Handle the gauge with care to avoid injury.
- Ensure the work area is clean and free of distractions.
- Use the gauge only with compatible cutters and lock studs as specified by the manufacturer.
- Avoid excessive force when trimming cases to prevent accidents or damage.
- Do not modify the gauge in any way; alterations may lead to unsafe conditions.
- Store the gauge in a safe and dry place when not in use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the gauge, cutter, and lock stud.
- Ensure the work surface is stable and welllit.

2. Installation:

- Attach the lock stud securely to the cutter.
- Insert the case length gauge into the appropriate holder or setup as per the manufacturer's instructions.

3. Usage:

- Place the cartridge case into the gauge ensuring it is seated properly.
- Use the cutter to trim the case to the desired length, applying steady and even pressure.
- After trimming, check the case length using the gauge to ensure accuracy.
- Remove any trimmed cases from the gauge and clean the area before proceeding with additional cases.

4. PostUsage:

- Clean the gauge and associated tools after use to maintain their condition.
- Store the gauge and tools in a safe location to prevent accidental damage or injury.

Disposal Instructions

- Dispose of any used or damaged cases in accordance with local regulations.
- Do not dispose of the gauge in regular household waste. Check local guidelines for proper disposal methods for tools and equipment.

Contact Information for Further Support
