Safety Instruction Guide for CASE LENGTH GAUGES LEE PRECISION LEE LENGTH GAUGE/SHELLHOLDER, 338 LAPUA

Introduction

Thank you for choosing the CASE LENGTH GAUGES LEE PRECISION LEE LENGTH GAUGE/SHELLHOLDER for your reloading needs. This product is designed to help you achieve precise case lengths and square case mouths, ensuring optimal performance for your ammunition. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Use the product only for its intended purpose as described in this guide.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about any product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the cutter and lock stud are securely attached before using the gauge.
- Do not exceed the recommended trimming length as indicated in the product specifications.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes from debris.
- Avoid using the gauge in wet or damp environments to prevent slipping and potential accidents.
- Do not modify or alter the product in any way, as this may compromise its safety and functionality.
- Always store the gauge in a dry, secure location when not in use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the case length gauge, cutter, and lock stud.
- Ensure your work area is clean and welllit.

2. Installation:

- Attach the cutter to the case length gauge securely.
- Insert the lock stud into the gauge, ensuring it locks in place properly.

3. Usage:

- Place the case you wish to measure into the gauge.
- Carefully trim the case to the desired length using the cutter.
- After trimming, check the case mouth to ensure it is square and free of burrs.
- Repeat the process for additional cases as needed.

4. PostUse Care:

- Clean the gauge and cutter after each use to maintain performance.

- Store the product in its original packaging or a designated storage area.

Disposal Instructions

- Dispose of any worn or damaged parts of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the CASE LENGTH GAUGES LEE PRECISION LEE LENGTH GAUGE/SHELLHOLDER, please reach out to the manufacturer or your local distributor for assistance.

Thank you for prioritizing safety while using our product. Enjoy your reloading experience!
