

## 2 CAVITY PISTOL BULLET MOLDS - LEE PRECISION 38 CALIBER (0.358") 140GR SEMI-WADCUTTER MOLD

[Reloading](#) > [Bullet Casting](#) > [Casting Moulds](#) > [Handgun Moulds](#)

All molds for pistol calibers are double cavity to speed casting. All Lee mould blocks are made from aluminum because of the exceptional moulding qualities. The mould cavities are CNC machined for unmatched roundness and size control. Most bullets from Lee moulds can be used as cast without sizing. Handles and sprue plate are included.

### Attributes

- Name: [LEE PRECISION 38 CALIBER \(0.358"\) 140GR SEMI-WADCUTTER MOLD](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100032151
- Mfr. No.: 90318
- Bullet Style: Semi-Wadcutter (SWC)
- Bullet Weight (Grains): 140
- Caliber: 357 Caliber,38 Caliber
- Cavities: 2
- Diameter (in): 0.358
- Delivery weight: 0.386kg
- Shipping height: 51mm
- Shipping width: 76mm
- Shipping length: 279mm
- UPC: 734307903183

# Safety Instruction Guide for 2 Cavity Pistol Bullet Molds

## Introduction

Thank you for choosing the 2 Cavity Pistol Bullet Molds by Lee Precision. This guide provides essential safety instructions to ensure the safe use and handling of your bullet molds. Please read all instructions carefully before use to minimize risks and ensure a safe casting experience.

## General Safety Guidelines

- Always handle molds with care to avoid injury.
- Ensure that your workspace is clean and free of clutter to prevent accidents.
- Wear appropriate personal protective equipment (PPE), including safety glasses and heatresistant gloves.
- Keep the molds out of reach of children and pets to prevent accidental injuries.
- Follow all local regulations and guidelines related to the casting of bullets.

## Specific Safety Precautions for Use

- **Heat Safety:** The molds will become very hot during use. Always allow them to cool before handling.
- **Casting Safety:** Use only lead or lead alloy materials that are suitable for bullet casting.
- **Ventilation:** Ensure adequate ventilation in your workspace to avoid inhalation of fumes.
- **Spills and CleanUp:** In case of spills, clean up immediately to prevent slips and falls.
- **Tool Safety:** Use proper tools when handling molds and molten lead to avoid burns or injury.
- **Storage:** Store molds in a dry place to prevent corrosion and damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is wellventilated and free of any flammable materials.
- Gather all necessary tools and materials, including your lead alloy, a heat source, and personal protective equipment.

### 2. Setting Up the Mold:

- Place the mold on a stable, heatresistant surface.
- Ensure that the mold is clean and free of debris before use.

### 3. Heating the Mold:

- Preheat the mold on your heat source according to the manufacturer's recommendations.
- Use a thermometer to monitor the mold temperature for optimal casting.

### 4. Casting Bullets:

- Carefully pour the molten lead into the mold cavities, ensuring not to overfill.
- Allow the lead to cool and solidify before opening the mold.

### 5. Removing Cast Bullets:

- Once cooled, gently open the mold and remove the cast bullets.
- Inspect each bullet for defects and discard any that do not meet your standards.

## 6. PostUse Care:

- Clean the mold with a soft brush or cloth to remove any lead residue.
- Store the mold in a dry location, away from moisture.

## Disposal Instructions

- Dispose of any defective or unusable bullets in accordance with local regulations.
- Do not dispose of molten lead or lead waste in regular trash. Check with local waste management for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or support related to your 2 Cavity Pistol Bullet Molds, please reach out to the designated EU contact point provided with your product packaging.

By following these safety instructions, you can ensure a safe and enjoyable bullet casting experience. Always prioritize safety and stay informed about the proper use of your molds. Thank you for choosing Lee Precision!
