# Safety Instruction Guide for Lee Precision Folding Primer Tray

## Introduction

Thank you for choosing the Lee Precision Folding Primer Tray. This guide provides essential safety information and instructions for the safe use and maintenance of the product. Please read this guide carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always use the Folding Primer Tray according to the manufacturer's instructions.
- Ensure the product is suitable for your intended use before operating.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Do not attempt to modify or repair the product yourself.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the Folding Primer Tray only with compatible models: Lee Ergo Prime and Auto Prime XR.
- Ensure that the tray is securely attached before use to prevent accidents.
- Avoid using the tray in wet or damp conditions to reduce the risk of electrical hazards.
- Do not overload the tray beyond its intended capacity.
- Always handle with care to avoid injury from sharp edges or moving parts.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the Folding Primer Tray from its packaging.
- Inspect the tray for any damage or defects.
- Align the tray with the designated attachment points on the Lee Ergo Prime or Auto Prime XR.
- Press down firmly to secure the tray in place.

### 2. Usage:

- Ensure the area is clean and free from obstructions before using the tray.
- Load primers according to the specifications outlined in the Lee Ergo Prime or Auto Prime XR user manual.
- Use steady pressure when operating the tray to ensure proper functioning.
- After use, clean the tray to maintain its performance and longevity.

## Disposal Instructions

- Dispose of the Folding Primer Tray in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consider recycling options.

## Contact Information for Further Support

For any safety inquiries or further assistance, please contact your local distributor or the manufacturer directly.
