EZ X Expander/Decapper Safety Instruction Guide

Introduction

Thank you for choosing the EZ X Expander/Decapper for your Lee .223 Full Length Sizing die. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read and understand this information before using the EZ X Expander/Decapper.

General Safety Guidelines

- Always handle the EZ X Expander/Decapper with care.
- Ensure that the workspace is clean and free from clutter to prevent accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects, do not use the product and contact the manufacturer for guidance.

Specific Safety Precautions for Use

- Do not exceed the recommended specifications for the EZ X Expander/Decapper.
- Ensure that the product is used only with compatible Lee .223 Full Length Sizing dies.
- Avoid using excessive force during operation to prevent injury or damage to the product.
- Always follow the manufacturer's instructions for installation and usage.
- If you experience any difficulties while using the product, stop and consult the instructions before proceeding.

Instructions for Installation and Usage

1. Installation

- Ensure that the Lee .223 Full Length Sizing die is properly secured in your reloading press.
- Carefully insert the EZ X Expander/Decapper rod into the die, ensuring a snug fit.
- Make sure the rod is aligned correctly to prevent jamming or misalignment during operation.

2. Usage

- Begin by preparing your .223 cases for resizing.
- Insert the case into the sizing die and activate the press to begin the resizing process.
- Monitor the operation closely for any unusual sounds or resistance.
- Once resizing is complete, carefully remove the case from the die.
- Clean the EZ X Expander/Decapper after each use to maintain its functionality.

Disposal Instructions

- Dispose of the EZ X Expander/Decapper responsibly at an appropriate waste disposal facility.
- Follow local regulations regarding the disposal of metal products.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any safety inquiries or further support regarding the EZ X Expander/Decapper, please contact the manufacturer directly. Ensure you have the product details ready for a more efficient response.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your

EZ X Expander/Decapper. Always prioritize safety in your reloading activities. Thank you for your attention to these important safety measures.
