

# CZ SCORPION EVO 3 S1 OPTIMIZED PISTOL GRIP - APEX TACTICAL SPECIALTIES INC OPTIMIZED PISTOL GRIP NYLON FDE

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The Apex Optimized Grip for the CZ Scorpion EVO 3 S1 changes the contour and angle from the standard factory grip. The Apex Optimized Grip allows better control with a more comfortable angle for easier manipulation of the trigger and safety. The grip is made from glass filled nylon, and comes with optional laser cut, self-adhesive grip tape. Utilizes the factory grip screw for installation. Works with all CZ Scorpion EVO 3 S1 pistols and carbines.

# CZ Scorpion EVO 3 S1 Optimized Pistol Grip

## Safety Instructions

### Introduction

Thank you for choosing the Apex Optimized Grip for your CZ Scorpion EVO 3 S1. This product is designed to enhance your shooting experience by providing better control and comfort. To ensure safe and effective use of your new grip, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the grip.
- Store your firearm and accessories in a secure location, away from children and unauthorized users.
- Regularly inspect your grip and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Be aware of your surroundings and ensure that you are in a safe environment when handling your firearm.

### Specific Safety Precautions for Use

- Do not use the grip if it shows signs of damage or wear.
- Ensure that the grip is properly installed before using your firearm.
- Avoid using excessive force when manipulating the grip or trigger.
- Be mindful of the grip's angle and contour to prevent accidental discharge.
- Always keep your finger off the trigger until you are ready to shoot.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory grip screw using an appropriate tool.
- Align the Apex Optimized Grip with the grip frame of the CZ Scorpion EVO 3 S1.
- Secure the grip in place using the factory grip screw. Do not overtighten.
- Optionally, apply the provided laser cut, selfadhesive grip tape for added traction.

#### 2. Usage:

- Familiarize yourself with the new grip angle and contour before shooting.
- Practice safe firearm handling techniques at all times.
- Regularly check the grip for tightness and integrity during use.

### Disposal Instructions

- Dispose of the grip in accordance with local regulations regarding plastic and nylon materials.
- If the grip is damaged beyond use, consider recycling options available in your area.

### Contact Information for Further Support

For any safety inquiries or further assistance regarding your Apex Optimized Grip, please refer to the manufacturer's website or contact their customer support team. Ensure you have your product details available for a smoother support experience.

By following these guidelines, you can ensure a safe and enjoyable experience with your CZ Scorpion EVO 3 S1 Optimized Pistol Grip. Thank you for your attention to safety.
