

# FAILURE RESISTANT EXTRACTOR FOR GLOCK® - APEX TACTICAL SPECIALTIES INC FAILURE RESISTANT EXTRACTOR FOR GLOCK GEN 4

[Handgun Parts](#) > [Action Parts](#) > [Extractor Parts](#) > [Extractors](#)

The Apex Failure Resistant Extractor for Glock is designed to provide a more robust extractor claw and improved geometry to produce a more durable extractor delivering consistent extraction. The extractor is machined from a billet of aerospace grade stainless steel. Due to variations in manufacturing, this extractor is not recommended for use with aftermarket slides and/or barrels. Expected Results Improved reliability based on improved geometry of the extractor hook and high quality materials Applicable To What Gun(s) Works with the Gen 3 9mm Glock pistols (Glock models 17, 18, 19, 34) AND Gen 5 9mm Glock pistols (Glock models 17, 19). Designed and tested with Glock factory slide and barrel only. Not tested to work with any caliber except for 9mm. Works with the Generation 4 9mm Glock pistols (Glock models 17, 18, 19, 34). NOT FOR USE WITH THE GLOCK MODEL 26.

## Attributes

# Safety Instruction Guide for the Apex Failure Resistant Extractor for Glock

## Introduction

Thank you for choosing the Apex Failure Resistant Extractor for Glock. This product is designed to enhance the reliability of your Glock pistol by providing a more durable extractor. It is crucial to follow the safety guidelines and instructions outlined in this guide to ensure safe and effective use.

## General Safety Guidelines

- Ensure safe use of the extractor by adhering to the following guidelines:
  - Always handle firearms with care and follow standard safety practices.
  - Use the extractor only with compatible Glock models as specified in this guide.
  - Keep the extractor and all firearm components out of reach of children and unauthorized users.
  - Regularly inspect the extractor for any signs of wear or damage before use.
  - Do not modify the extractor or firearm in any way that could compromise safety.

## Specific Safety Precautions for Use

- Before installing and using the extractor, please observe the following precautions:
  - This extractor is designed specifically for Gen 3 and Gen 5 9mm Glock pistols (models 17, 18, 19, 34) and Generation 4 9mm Glock pistols (models 17, 18, 19, 34).
  - It is NOT compatible with Glock Model 26 or any aftermarket slides and/or barrels.
  - Use only with Glock factory slide and barrel to ensure reliability and safety.
  - The extractor is not tested for use with calibers other than 9mm.
  - If you notice any malfunctions or irregularities during use, stop using the extractor immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the extractor:

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch tool and hammer.

### 2. Installation:

- Remove the slide from the Glock pistol.
- Use the punch tool to carefully drive out the existing extractor pin.
- Remove the old extractor and replace it with the Apex Failure Resistant Extractor.
- Reinsert the extractor pin securely to hold the new extractor in place.

### 3. Testing:

- Reassemble the firearm and perform a function check to ensure the extractor operates correctly.
- Conduct a test firing in a safe and controlled environment to verify reliable extraction.

## Disposal Instructions

- When disposing of the extractor:
  - Follow local regulations for disposal of firearm components.
  - Ensure that the extractor is rendered unusable before disposal to prevent misuse.

## Contact Information for Further Support

- For any safety inquiries or support related to the Apex Failure Resistant Extractor for Glock, please refer to the manufacturer's website or customer service resources.

## Conclusion

Your safety is of utmost importance. By following these guidelines and instructions, you can ensure the safe use of the Apex Failure Resistant Extractor for Glock. Always prioritize safety and consult professionals when in doubt. Thank you for choosing Apex Tactical Specialties Inc.
