[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

## **Drop-In Upgrade Gives Smoother, Lighter Pull & Cleaner Break**

Apex Tactical's Action Enhancement Kit for Gen5 Glock® pistols lightens the trigger pull by approximately 1 lb., while also giving you a smoother, shorter pull, followed by a clean, decisive break. It reduces over-travel significantly, too, for speedier reset and faster follow-up shots. Apex has made the Action Enhancement Kit for Gen5 Glock® a direct, drop-in replacement for the factory trigger, trigger bar, and connector. It consists of Apex's Action Enhancement Trigger, Gen5 Trigger Bar, and Apex Performance Connector. The center-mounted trigger has a pivoting safety tab that preserves proper function of gun's trigger safety. Drop-in installation - easily remove kit & reinstall the original parts any time. Fits Glock® Gen5 model 17, 19, 22 & 23 pistols ONLY. Trigger bar is included. Also available: the a trigger/trigger bar assembly alone, without enhanced connector - sold separately. While the factory trigger is plastic, the Apex Action Enhancement Kit for Gen5 Glock® has a trigger made entirely of robust, long-wearing machined aluminum for added stability. It's an excellent upgrade for any shooter who wants a smoother, lighter, more precise trigger on his Glock®. Brownells Gun Tech™ Warning: The Apex Action Enhancement Kit for Gen5 Glock® will NOT function in Gen3 or Gen4 Glock pistols. The design of the trigger and trigger bar is different on Gen5 guns. Brownells also offers Apex action enhancement kits and triggers for Gen3 and Gen4 pistols.

# **Safety Instruction Guide for ACTION ENHANCEMENT TRIGGER W/ TRIGGER BAR FOR GLOCK® GEN5**

## **Introduction**

Thank you for choosing the Apex Tactical Action Enhancement Trigger with Trigger Bar for your Glock® Gen5 pistol. This guide is designed to ensure your safety and enhance your experience with the product. Please read this instruction manual carefully before installation and use.

## **General Safety Guidelines**

- Ensure the product is compatible with your Glock® Gen5 model (17, 19, 22, and 23 only).
- Always follow firearm safety rules when handling your pistol.
- Store the product in a safe place, out of reach of children and unauthorized users.
- Inspect the product for any visible damage before installation.
- Do not modify the product in any way that could affect its performance or safety.
- Keep this guide for future reference.

## **Specific Safety Precautions for Use**

- Only use the Apex Tactical Action Enhancement Trigger with Glock® Gen5 models as specified.
- Ensure that the firearm is unloaded before beginning installation.
- Wear safety glasses to protect your eyes during the installation process.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.
- Be aware that the trigger pull weight will be lighter than the factory trigger, which may affect your shooting behavior.
- The product is not designed for use in Gen3 or Gen4 Glock® models.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Make sure your Glock® Gen5 pistol is unloaded.
- Gather necessary tools: a punch tool and a small hammer.

### **2. Removal of Factory Trigger:**

- Use the punch tool to remove the pins securing the factory trigger and trigger bar.
- Carefully lift out the factory trigger and trigger bar from the frame.

### **3. Installation of Apex Trigger:**

- Insert the Apex Action Enhancement Trigger into the frame.
- Align the trigger bar with the trigger and ensure it is seated properly.
- Replace the pins to secure the trigger and trigger bar in place.

### **4. Testing:**

- After installation, perform a function check to ensure the trigger operates correctly.
- Check for smooth operation and ensure the trigger safety is functioning.

### **5. Final Steps:**

- Reassemble your Glock® Gen5 pistol.
- Store any removed factory parts in a safe location in case you wish to revert to the original configuration.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If you need to dispose of the product itself, check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Apex Tactical Action Enhancement Trigger, please refer to the manufacturer's website or contact their customer support directly.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your new Apex Tactical Action Enhancement Trigger. Always prioritize safety when handling firearms and related products.
