

1911 HAMMER - APEX TACTICAL SPECIALTIES INC 1911 CLASSIC GOVERNMENT HAMMER

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammers](#)

Apex 1911 Hammer - Classic Spur Style: The Apex 1911 Hammer is designed to be a direct replacement for the original Colt spur hammer found on the MK IV Series 70 1911A1 or Commander-style. Made from A-2 tool steel, it is cut on a wire EDM for dimensional consistency and perfectly square hammer hooks. The hammer is then heat treated and black oxide finished. Expected Results: Direct replacement for the original Colt spur hammer 1911 hammer Hammer hook and strut pin hole locations derived from a vintage 1968 Colt National Match pistol (the precursor to the Gold Cup National Match Government model) Hammer hook height is .018-.020" to provide a consistent, clean breaking trigger pull Features captive half cock notch as found on Mk IV Series 70 Colt pistols (can be used with Series 80 pistols) For best results Apex recommends the hammer be paired with a premium sear such as EGW Hard Sear (Product #10040)

Apex 1911 Hammer Safety Instruction Guide

Introduction

Thank you for purchasing the Apex 1911 Hammer. This guide provides essential safety instructions to ensure the safe use and handling of your new hammer. Please read this manual carefully to understand the proper use, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe handling and use of the hammer to prevent accidents.
- Always handle firearms and firearm components with care and respect.
- Keep the hammer out of reach of children and vulnerable individuals.
- Regularly check for any signs of damage or wear before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as eye protection, when installing or using the hammer.
- Ensure the firearm is unloaded before installing or replacing the hammer.
- Do not attempt to modify the hammer or any part of the firearm without proper knowledge and tools.
- Only use the hammer with compatible firearms as specified in the product description.
- Avoid using the hammer in wet or humid conditions to prevent rust and corrosion.
- Check the hammer for proper fit and function before firing the firearm.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and safety equipment.
- Ensure the firearm is completely unloaded and pointed in a safe direction.

2. Installation:

- Remove the original Colt spur hammer from the firearm following the manufacturer's instructions.
- Inspect the new Apex 1911 Hammer for any signs of damage or defects before installation.
- Align the hammer hook and strut pin hole with the corresponding parts in the firearm.
- Securely fasten the hammer in place according to the firearm's specifications.

3. Usage:

- After installation, conduct a function check to ensure the hammer operates correctly.
- If any issues arise, consult a qualified gunsmith for assistance.
- Use the hammer in a safe environment, following all standard firearm safety practices.

Disposal Instructions

- Dispose of the hammer and any packaging materials in accordance with local regulations.
- If the hammer is damaged or no longer usable, consider recycling the metal components where possible.
- Do not dispose of the hammer in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Apex 1911 Hammer, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Apex 1911 Hammer. Thank you for prioritizing safety in your firearm practices.
