

# ENHANCE SLIDE STOP FOR GLOCK® GEN 5 - TANGODOWN VICKERS TACTICAL SLIDE STOP FOR GLOCK® GEN 5

[Handgun Parts](#) > [Frame Parts](#) > [Slide Catch Parts](#) > [Slide Catches](#)

Vickers Tactical® presents the optimum ambidextrous slide stop for Glock® Gen 5 pistols. Having difficulty executing fast reloads with the OEM slide stop? 'Extended' style slide stops locking the slide back prematurely? Try the VTSS-003 Gen 5 Ambidextrous Slide Stop and never look back. Extensive testing created a shape that enables positive slide lock and release, in ALL conditions, especially with gloves. Gunfights are unforgiving, why chance a reload fumble when the consequences are clear? Precision stamped & formed from 4130 chrome moly steel, then heat treated just like the OE part. Topped off with a durable hard coat finish for years of service. We recommend professional gunsmith installation only. Fits Glock® Gen 5 models released to date: G17, G19, G19X, G26, G34. Reshaped thumb pad with deep serrations allows easy slide release & lock with gloves Precision stamped from 4130 chrome moly steel, heat treated with non-glare black finish Fits all Glock™ Gen 5 pistols released to date: G17, G19, G19X, G26, G34

# Safety Instruction Guide for ENHANCE SLIDE STOP FOR GLOCK® GEN 5

## Introduction

Thank you for choosing the ENHANCE SLIDE STOP FOR GLOCK® GEN 5 by Vickers Tactical®. This product is designed to enhance the functionality of your Glock® Gen 5 pistol, providing a reliable and efficient slide stop for safe and effective use. Please read this safety instruction guide carefully to ensure safe handling, installation, and usage of the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always treat your firearm as if it is loaded.
- Keep firearms out of reach of children and unauthorized users.
- Use the slide stop only with compatible Glock® Gen 5 models: G17, G19, G19X, G26, G34.
- Regularly inspect the slide stop for wear or damage before each use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Handling:** Always ensure the firearm is unloaded before installation or handling of the slide stop.
- **Installation:** Professional gunsmith installation is recommended to avoid improper fitting that could lead to malfunction.
- **Gloves:** The reshaped thumb pad is designed for ease of use, even when wearing gloves. However, ensure that gloves do not interfere with the operation of the slide stop.
- **Environment:** Avoid using the slide stop in extreme conditions without proper checks, as performance may vary.
- **Training:** Familiarize yourself with the operation of the slide stop before using it in a live environment. Practice in a safe setting.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the OEM slide stop according to the manufacturer's instructions.
- Align the VTSS003 Gen 5 Ambidextrous Slide Stop with the designated slot on the firearm.
- Press firmly until the slide stop is fully seated.
- Ensure that the slide stop operates smoothly and locks into place.
- If unsure, seek professional assistance from a certified gunsmith.

### 2. Usage:

- To lock the slide back, pull the slide to the rear and engage the slide stop.
- To release the slide, press down on the slide stop with your thumb.
- Practice the operation until you are comfortable using the slide stop under various conditions.

## Disposal Instructions

- Dispose of any damaged or wornout parts, including the slide stop, in accordance with local regulations for hazardous materials.

- Do not dispose of the product in regular household waste. Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please contact the manufacturer or a certified gunsmith. Ensure you have the model number and purchase details ready for reference.

By following these guidelines, you can ensure that you are using the ENHANCE SLIDE STOP FOR GLOCK® GEN 5 safely and effectively. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important instructions.
