## Self-Tightens and Reduces Recoil While Shooting

Tired of having that muzzle brake of yours rattle loose on every other range visit, no matter how tight you crank it down? Worry no more with the VG6 Precision Lambda PRS30 Precision Muzzle Brake! This unique design not only works to virtually eliminate recoil, but the unique attachment system ensures the device stays in place on the muzzle. Each VG6 Precision Lambda PRS30 Precision Muzzle Brake is built with a two-piece design that works with a simple jam nut that installs without tools. Working with the four-chamber design of the brake, the jam nut tightens itself with every shot fired, so you'll never have to worry about a loose muzzle brake again. Fits all .30-caliber barrels chambered up to .300 Win. Mag. Fits 5/8-24 TPI threaded muzzles All-black finish Weighs 0.3 pounds Enhanced durability is also a feature of the VG6 Precision Lambda PRS30 Precision Muzzle Brake, thanks to the device's heat-treated finish.

## Introduction

Thank you for choosing the LAMBDA PRS30 Precision Muzzle Brake. This guide provides essential safety instructions to ensure the safe and effective use of your muzzle brake. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the muzzle brake is compatible with your firearm. The LAMBDA PRS30 is designed for .30caliber barrels chambered up to .300 Win. Mag.
- Always handle firearms with care and follow all applicable laws and regulations regarding firearm use and ownership.
- Keep the muzzle brake and all firearm components away from children and unauthorized users.
- Inspect the muzzle brake regularly for any signs of damage or wear. Do not use if damaged.
- Always wear appropriate safety gear, including eye protection, when using firearms equipped with a muzzle brake.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation may lead to the muzzle brake loosening during use, which can cause injury or damage.
  - Ensure that the muzzle brake is securely fastened before firing.
- **Avoiding Hazards:**
  - Always tighten the jam nut properly to prevent the muzzle brake from loosening.
  - Do not exceed the manufacturer's recommended specifications for your firearm and ammunition.
  - Avoid using the muzzle brake if you notice any unusual sounds or vibrations during firing.
- **AgeSpecific Warnings:**
  - This product is intended for use by adults who are knowledgeable about firearms. It should not be used by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage
