[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Forward Set Trigger: Reduces Trigger Pre-Travel and Over Travel. Increases reach length to trigger face for shooters with longer fingers. Allows shooter to position finger lower on trigger face for increased leverage and therefore take advantage of lower trigger pull weights for competition. Patent Pending Sear Actuator: Shortens the stroke of the trigger pull by dropping the striker at a point farther forward than the factory component. Ultimate Striker Block Kit: Improved radius on the Striker Block Face produces a smoother trigger pull and eliminates most false reset issues. Forward Set Spring Kit: The full spring kit produces a 4lb to 5lb trigger pull. Expected results: Trigger pull weight between the 4lb and 6lb mark (Dependent on trigger return spring and sear spring installed) Smooth uptake and reset Reduces Pre Travel Reduces Over Travel Center mounted pivoting safety maintains factory safety values

Attributes

Safety Instruction Guide for SMITH & WESSON M&P M2.0 RED FLAT FACE FORWARD SET TRIGGER KIT

Introduction

Thank you for choosing the SMITH & WESSON M&P M2.0 Red Flat Face Forward Set Trigger Kit from APEX Tactical Specialties Inc. This guide provides essential safety instructions to ensure the safe and effective use of your trigger kit. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the handling and operation of firearms before using this product.
- Always treat every firearm as if it is loaded.
- Store firearms and ammunition securely, away from unauthorized users, especially children.
- Use this product only in accordance with the manufacturer's instructions.
- Regularly inspect your firearm and this trigger kit for wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Trigger Pull Weight:** The trigger pull weight is designed to be between 4lb and 6lb. Ensure that this weight is suitable for your shooting style and experience level.
- **Installation:** Improper installation may lead to malfunction or unsafe conditions. Follow the installation instructions carefully.
- **Finger Placement:** Always position your finger properly on the trigger face. Avoid placing your finger on the trigger unless you are ready to shoot.
- **Safety Mechanism:** Ensure that the centermounted pivoting safety is functioning correctly before use.
- **Vulnerable Groups:** Keep the product out of reach of children and ensure that only trained individuals use the firearm equipped with this trigger kit.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Disassemble your firearm according to the manufacturer's instructions.
- Remove the factory trigger components carefully.
- Install the Forward Set Trigger Kit components as per the detailed instructions provided with the kit.
- Verify that all components are securely installed and function correctly.
- Reassemble your firearm and check for proper operation.

2. Usage Instructions:

- Always perform a function check after installation to ensure the trigger operates smoothly.
- Practice safe shooting habits at all times.
- If you notice any irregularities in trigger function, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of any packaging materials responsibly, in accordance with local regulations.
- Do not dispose of the trigger kit in regular household waste. Follow local guidelines for disposal of firearm components.

Contact Information for Further Support

For any inquiries regarding the SMITH & WESSON M&P M2.0 Red Flat Face Forward Set Trigger Kit, please refer to the manufacturer's website or customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable shooting experience. Thank you for choosing APEX Tactical Specialties Inc.
