

# 6.5MM CREEDMOOR BRASS - PETERSON CARTRIDGE 6.5 CREEDMOOR LARGE PRIMER BRASS 500/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

## Idea Brass for the Popular 6.5 Creedmoor

The popular 6.5 Creedmoor is now available from Peterson Cartridge Company. The cartridge is ideal for long range precision shooting. Its light recoil and slightly shorter case design allows use of longer, lower drag bullets to be used and still be fed from a magazine. The brass is available with either a standard large rifle primer pocket or a small rifle primer pocket. Cartridge: 6.5 Creedmoor Quantity: 50 or 500 All Peterson Cartridge Company brass is annealed and polished.

# Safety Instruction Guide for 6.5MM Creedmoor Brass Peterson Cartridge

## Introduction

Thank you for choosing the 6.5MM Creedmoor Brass from Peterson Cartridge Company. This guide provides essential safety instructions to ensure the safe use of this product. It is important to follow these guidelines to minimize risks and ensure a safe shooting experience.

## General Safety Guidelines

- Always treat firearms and ammunition as if they are loaded.
- Store cartridges in a cool, dry place away from direct sunlight.
- Keep cartridges out of reach of children and unauthorized persons.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Be aware of your surroundings and ensure that you are in a safe environment for shooting.

## Specific Safety Precautions for Use

- Ensure that your firearm is compatible with the 6.5 Creedmoor cartridge before use.
- Inspect cartridges for any signs of damage or defects before loading.
- Do not attempt to modify or alter the cartridges in any way.
- Only use cartridges that are within their specified shelf life for optimal performance.
- Follow the manufacturer's recommendations for loading and firing.

## Instructions for Installation and Usage

### 1. Loading the Cartridge:

- Open the magazine of your firearm.
- Carefully insert the 6.5 Creedmoor cartridge into the magazine, ensuring it is seated properly.
- Close the magazine securely before proceeding.

### 2. Firing the Cartridge:

- Ensure that the firearm is pointed in a safe direction.
- Check that the safety mechanism is disengaged.
- Pull the trigger smoothly to fire the cartridge.

### 3. PostFiring:

- Always check to ensure the firearm is unloaded after use.
- Dispose of spent cartridges in accordance with local regulations.

## Disposal Instructions

- Dispose of spent cartridges and packaging materials in a responsible manner.
- Check local regulations for proper disposal methods for ammunition and brass.
- Do not dispose of cartridges in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 6.5MM Creedmoor Brass Peterson Cartridge, please refer to the EU contact point or your local regulatory authority for assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable shooting experience with the 6.5MM Creedmoor Brass from Peterson Cartridge Company. Always prioritize safety and remain informed about best practices in firearm usage.
