

338 NORMA MAGNUM BRASS - PETERSON CARTRIDGE 338 NORMA MAGNUM BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

When Peterson designed these casings, it chose to use the same parent casing as its .338 Lapua Magnum casing. As a result, Peterson chose to keep the major diameter of the casing (the diameter just above the extraction groove) the same size as its .338 Lapua Magnum casings. That diameter is .580". Since Peterson has never had any complaints about excessive major diameter growth, or primer pocket loosening in its .338 Lapua Magnum casings, they believed that to be a fine decision.

Attributes

- Name: [PETERSON CARTRIDGE 338 NORMA MAGNUM BRASS 50/BOX](#)
- Manufacturer: [PETERSON CARTRIDGE](#)
- Product no.: 100032774
- Mfr. No.: 40020-R

Safety Instruction Guide for 338 NORMA MAGNUM BRASS PETERSON CARTRIDGE

Introduction

Thank you for choosing the 338 NORMA MAGNUM BRASS PETERSON CARTRIDGE. This guide provides essential safety instructions and guidelines to ensure your safe and effective use of this product. It is important to follow these instructions carefully to maintain safety during handling, storage, and disposal.

General Safety Guidelines

- Always treat all ammunition as if it is live and capable of firing.
- Store cartridges in a cool, dry place away from direct sunlight and moisture.
- Keep cartridges out of reach of children and unauthorized persons.
- Regularly check for recalls or safety alerts regarding your ammunition through official channels.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Handling:**
 - Always wear appropriate eye and hearing protection when handling ammunition.
 - Avoid using damaged or corroded cartridges.
 - Do not attempt to modify or disassemble cartridges.
- **Usage:**
 - Use only in firearms specifically designed for 338 Norma Magnum cartridges.
 - Ensure the firearm is in good working order and properly maintained.
 - Follow the manufacturer's instructions for your firearm regarding ammunition specifications.
- **Storage:**
 - Store in original packaging or a suitable ammunition container.
 - Keep cartridges away from heat sources and open flames.
 - Do not store in locations prone to extreme temperature fluctuations.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that your firearm is unloaded before inserting the cartridge.
 - Follow your firearm's manual for proper loading procedures.
- **Usage:**
 - Confirm that the firearm is pointed in a safe direction before loading.
 - Only load one cartridge at a time unless your firearm is designed for multiple rounds.
 - After firing, keep the firearm pointed in a safe direction until it is clear.

Disposal Instructions

- Dispose of unused or expired cartridges in accordance with local regulations.
- Do not throw cartridges in regular trash.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding safety, please refer to your local authorities or regulatory bodies for assistance. It is crucial to stay informed about product safety and compliance with local laws.

By following these guidelines, you can ensure a safe experience while using the 338 NORMA MAGNUM BRASS PETERSON CARTRIDGE. Always prioritize safety and responsibility in all aspects of handling ammunition.
