## Quality Sights for Your Favorite Glock

Keeping your pistol on target requires having sights you can count on. LPA Adjustable Sights for Glock are designed for use on one of the most-popular pistol platforms in America, ensuring that owners of Glock handguns have easily seen sights. Each pair of LPA Adjustable Sights are designed to fit a range of Glock handguns, ranging from the G17 to the G23, as well as the G25 through the G41. Each sight pair includes a blacked-out rear sight leaf paired with a bright-red, fiber-optic front sight that directly replaces the Glock factory sights. The rear sight included with the LPA Adjustable Sights is built with a low-profile design that aids in reholstering, and the sight pair offers a great option for everything from target-shooting to personal-defense use.

# Safety Instruction Guide for ADJUSTABLE SIGHTS FOR GLOCK® L.P.A. SIGHTS FULLY ADJUSTABLE SIGHT SET, LUMINOVA NIGHT SIGHT

## Introduction

Thank you for choosing the L.P.A. Adjustable Sights for your Glock handgun. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new sights. Please read this document carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always handle your firearm with care and treat it as if it is loaded.
- Ensure that you are in a safe environment when installing or using your sights.
- Keep the sights and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- Do not attempt to modify the sights beyond the manufacturer's specifications.
- Avoid using the sights in extreme weather conditions that may affect visibility.
- Ensure that your firearm is unloaded before installing or adjusting the sights.
- Use protective eyewear when shooting to safeguard against debris or fragments.
- Be aware of your surroundings and ensure a clear line of sight when aiming your firearm.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare Your Firearm:

- Ensure your Glock handgun is unloaded and pointed in a safe direction.
- Remove the factory sights according to the manufacturer's instructions.

#### 2. Install the L.P.A. Adjustable Sights:

- Align the blackedout rear sight leaf with the sight dovetail on your Glock.
- Secure the rear sight using the appropriate tools, ensuring it is tightly fitted.
- Attach the brightred, fiberoptic front sight to the front dovetail of your Glock.
- Ensure both sights are aligned properly for optimal accuracy.

#### 3. Final Check:

- After installation, check that both sights are secure and positioned correctly.
- Test the functionality by aiming at a safe target area.

### Usage

- Use the sights in accordance with standard shooting practices.
- Adjust the sights as necessary for windage and elevation to achieve accuracy.
- Regularly practice shooting to familiarize yourself with the new sight alignment.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not dispose of the product in regular household waste.
- Contact local recycling centers for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries and additional support, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your L.P.A. Adjustable Sights. Always prioritize safety and responsible firearm handling.
