[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Advantageous Add-On that Offers Well-Managed Recoil

With the growing sport of long-range precision shooting, competitors are looking for every advantage that allows them to save time between shots and improve their scores. The Ultradyn Pegasus 6.5 Creedmoor Compensator is an advantageous add-on that allows shooter scores to climb. Featuring expanding ports that vent gas at a 90-degree angle out the sides of the brake, the Ultradyn Pegasus 6.5 Creedmoor Compensator cuts felt recoil to a level never before experienced. This ensures that shooters can keep their targets in their sight picture, even with a high-magnification optic. The brake's venting of muzzle gases also provides a smooth, well-managed release that doesn't produce any jolts or jarring that will get shooters off-target. Fits 5/8-24 TPI threaded muzzles Compatible with Ultradyn Dynamount Weight: 7.5 ounces Includes 0.875-inch timing nut Not recommended for barrels under 12" Each Ultradyn Pegasus 6.5 Creedmoor Compensator is machined entirely in the USA from corrosion-resistant 416 stainless steel and is sized right to fit most threaded rifle muzzles on the market.

PEGASUS TANKER COMPENSATOR 6.5

CREEDMOOR USER SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the Ultradyn® Pegasus Tanker Compensator designed for the 6.5 Creedmoor caliber. This product is engineered to enhance your shooting experience by minimizing recoil and improving target acquisition. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the compensator by following all instructions. This product is designed for nonfood use and complies with EU safety regulations.
- **Enhanced Recalls:** Stay informed about product recalls. In the event of a safety issue, standardized recall notices will be issued, and remedies will be provided at no cost.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements. Verify that the product meets safety standards.
- **Special Consumer Focus:** Extra care should be taken when this product is used by or around vulnerable groups, including children. Always supervise use.
- **EU Contact Point:** For safety inquiries, ensure you have access to the seller or manufacturer's contact information.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates regarding unsafe products.

Specific Safety Precautions for Use

- **Age Requirement:** This product is intended for use by individuals aged 18 and older. Ensure that younger individuals are supervised when in use.
- **Proper Installation:** Ensure that the compensator is installed correctly on a compatible firearm. Failure to do so may result in injury or damage.
- **Shooting Range Safety:** Always use this compensator in a controlled environment, such as a shooting range. Follow all local laws and regulations regarding firearm use.
- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including eye protection and hearing protection, when shooting.
- **Regular Inspections:** Frequently inspect the compensator for signs of wear or damage. Do not use if damaged.

Instructions for Installation and Usage

1. **Check Compatibility:** Ensure your firearm has a 5/824 TPI threaded muzzle for proper fit.
2. **Installation Process:**
 - Ensure the firearm is unloaded and pointed in a safe direction.
 - Remove any existing muzzle device from the threaded muzzle.
 - Clean the threads of the muzzle to remove any debris.
 - Thread the Pegasus Compensator onto the muzzle by hand until snug.
 - Use a timing nut (included) to secure the compensator in the desired position.
3. **Usage Instructions:**
 - Before shooting, confirm that the compensator is securely attached.
 - Fire the firearm in a safe environment, ensuring all safety protocols are followed.
 - Monitor the performance of the compensator; if you experience excessive recoil or any malfunctions, cease use immediately and inspect the device.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations. If the product is damaged or no longer usable, it should be recycled or disposed of in a responsible manner.
- Do not dispose of the compensator in regular household waste. Check with local waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Pegasus Tanker Compensator, please refer to the manufacturer's contact information provided at the time of purchase. Ensure you have this information readily available for any safety inquiries or support needed.

By following these guidelines, you can ensure a safe and enjoyable experience with your Ultradyné Pegasus Tanker Compensator. Thank you for prioritizing safety in your shooting activities.
