Safety Instruction Guide for the 1500 SHORT ACTION BRAVO CHASSIS

Introduction

Thank you for choosing the 1500 SHORT ACTION BRAVO CHASSIS by Kinetic Research Group. This guide provides essential safety information and instructions to help you use the product safely and effectively. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure safe use of the chassis by following all instructions provided in this guide.
- Be aware of potential hazards associated with the use of firearm accessories.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Store the chassis in a safe place, away from children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the chassis.
- Use only compatible firearms with the Howa 1500 short action to avoid malfunctions.
- Do not modify the chassis or firearm in any way that could compromise safety.
- Ensure that all components are securely fastened before use.
- Avoid using the chassis in adverse weather conditions that may affect performance.
- Keep hands and body clear of moving parts during installation and adjustment.

Instructions for Installation and Usage

1. Installation Requirements

- You will need metric Allen wrenches for installation.
- Ensure you are working in a clean, dry environment to avoid contamination.

2. Installation Steps

- Remove the existing stock from your Howa 1500 short action.
- Align the Howa 1500 Bravo Chassis with the action of the rifle.
- Secure the chassis using the provided screws and metric Allen wrenches.
- Ensure all screws are tightened to the manufacturer's specifications.

3. Adjusting the Chassis

- Adjust the cheek riser to your desired height for optimal comfort.
- Modify the length of pull to fit your personal shooting style.
- Ensure that the adjustments are secure before use.

4. Using the Chassis

- Familiarize yourself with the features, including the thumb shelf and slingswivel mounting points.
- Attach compatible bipod and AICSpattern magazines as needed.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Check with local authorities for recycling options or special disposal methods for firearm accessories.

Contact Information for Further Support

For any inquiries regarding safety or product support, please reach out to your local distributor or authorized dealer. They will provide you with the necessary assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the 1500 SHORT ACTION BRAVO CHASSIS!
