Safety Instruction Guide for the 1500 Short Action Bravo Chassis

Introduction

Thank you for choosing the 1500 Short Action Bravo Chassis by Kinetic Research Group. This guide provides essential safety instructions to ensure your safe and effective use of the product. It is important to read and understand these instructions before using the chassis.

General Safety Guidelines

- Always ensure that the chassis is compatible with your Howa 1500 short action rifle.
- Inspect the chassis for any signs of damage before use. Do not use if damaged.
- Keep the chassis out of reach of children and vulnerable individuals.
- Use the chassis only for its intended purpose as specified in this guide.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- **Avoid Modifications:** Do not attempt to modify or alter the chassis in any way. Modifications may compromise safety and performance.
- **Proper Handling:** Always handle your rifle with care. Ensure that the firearm is pointed in a safe direction at all times.
- **Installation:** Ensure that all components are securely attached before use. Loose parts can lead to accidents.
- **Weight Considerations:** Be aware of the total weight of your setup, as it may affect stability and handling.
- **Sling Use:** When using the quickdetach slingswivel mounting points, ensure the sling is properly attached to prevent accidental discharges.

Instructions for Installation and Usage

1. Installation:

- Gather the necessary tools: metric Allen wrenches.
- Remove the existing stock from your Howa 1500 rifle.
- Align the chassis with the action of the rifle.
- Secure the chassis using the provided screws and metric Allen wrenches. Ensure all screws are tightened properly.
- Attach any additional components, such as the adjustable cheek riser and length of pull.

2. Usage:

- Adjust the cheek riser and length of pull to fit your shooting style and comfort.
- Attach your preferred bipod using the bipodattachment stud.
- Ensure that the magazine is properly seated in the chassis before use.
- Regularly check all attachments and adjustments for security and stability.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- Do not incinerate or dispose of in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the 1500 Short Action Bravo Chassis, please refer to the official Kinetic Research Group website or contact your local retailer for assistance.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your 1500 Short Action Bravo Chassis. Always prioritize safety and compliance with local laws when using firearm accessories. Thank you for your attention to these guidelines.
