

# **BENELLI M4 MULTI WEAPONSIGHT MOUNT - Impact Weapons Components BENELLI 1913 PICATINNY LIGHT MOUNT**

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

Impact Weapons Components is a company known for high quality light mounts including these two purpose built light mounts for the Benelli M4 shotgun. Available in either a 1913 Picatinny version for mounting of rail mount type weapons lights, or model that specifically mates up with Surefire Scout weapons lights. Both models allow for mounting of weapon lights either at the 1:00 or 11:00 position, and include ambidextrous limited rotation QD sling mounts eliminating the need for the factory sling loop. IWC's Rotational Clamp incorporating their proprietary Circumferential Locking Tab securely attaches the weapons light mount to the snap ring groove on the barrel hanger lug, eliminating any possibility for the light mount to come off under any condition. CNC Machined from Billet 6061-T6 Aluminum and Black Type III Mil-Spec Anodized finish. Simplistic two-piece design improves reliability, eliminates complexity and reduces weight. Ease of Install. Only one tool needed for installation, 9/64" Hex Key used to install 8-32" Fasteners for secure attachment. Simplistic, reliable, ultra-lightweight design contains only the materials needed to meet the objective; attaching a light to the Benelli M4 Weapon System.

## **Attributes**

- Name: [Impact Weapons Components BENELLI 1913 PICATINNY LIGHT MOUNT](#)
- Manufacturer: [Impact Weapons Components](#)
- Product no.: 100032838
- Mfr. No.: LBM41913
- Finish: Black
- Style: Picatinny
- Delivery weight: 0.091kg
- Shipping height: 64mm
- Shipping width: 102mm
- Shipping length: 89mm
- UPC: 852350006078

# Safety Instruction Guide for BENELLI M4 MULTI WEAPONSIGHT MOUNT

## Introduction

Thank you for choosing the BENELLI M4 MULTI WEAPONSIGHT MOUNT by Impact Weapons Components. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure that your product is used safely and in accordance with the guidelines provided. This product is designed for use with the Benelli M4 shotgun and should only be used as intended.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices. It is important to follow these notices to ensure your safety.
- **Online Shopping:** When purchasing online, ensure that the platform meets safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups, including children. Keep this product out of reach of children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point provided by your retailer.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate system. Regularly check for updates regarding recalls or safety alerts.

## Specific Safety Precautions for Use

- **Installation Precautions:**
  - Ensure the shotgun is unloaded before installation.
  - Use only the specified tools for installation to prevent damage.
- **Usage Precautions:**
  - Do not exceed the recommended weight limit for mounted accessories.
  - Regularly inspect the mount and attached light for wear or damage.
- **Handling Precautions:**
  - Always handle the shotgun with care and ensure it is pointed in a safe direction.
  - Avoid using the light mount in adverse weather conditions that could impair visibility or safety.
- **Storage Precautions:**
  - Store the product in a cool, dry place away from direct sunlight.
  - Ensure the product is secured to prevent accidental discharge or damage.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Tools Required:

- 9/64" Hex Key (included)

#### 2. Installation Steps:

- Ensure the Benelli M4 shotgun is unloaded.
- Locate the snap ring groove on the barrel hanger lug.
- Align the light mount with the snap ring groove.
- Use the 9/64" Hex Key to install the 832" fasteners securely.

- Ensure the mount is tightly secured and verify its stability before use.

## Usage Instructions

- **Mounting the Light:**

- The mount allows for positioning the weapon light at either the 1:00 or 11:00 position.
- Ensure the light is securely attached to the mount before use.

- **Adjusting the Light:**

- Follow the manufacturer's instructions for adjusting the light beam and settings.

- **Regular Maintenance:**

- Periodically check the mount and light for any signs of wear or looseness.
- Clean the mount and light as necessary to ensure optimal performance.

## Disposal Instructions

- **Disposal Guidelines:**

- Dispose of the product in accordance with local regulations.
- Do not dispose of in household waste. Check for local recycling programs for metal and electronic components.

- **Environmental Considerations:**

- Ensure that any packaging materials are recycled or disposed of properly.

## Contact Information for Further Support
