

BARNES TIPPED TRIPLE-SHOCK X 270 CALIBER (0.277") BULLETS - BARNES BULLETS TSX 270 CALIBER, 6.8MM (0.277") BT 95GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

These Tipped TSX bullets feature the same copper body, multiple ring construction as the TSX with the addition of a streamlined polymer tip to improve long-range ballistics. The tip and re-engineered nose cavity provide even faster expansion than the TSX with nearly 100% weight retention, deadly accuracy and excellent terminal performance.

Safety Instruction Guide for BARNES TIPPED TRIPLESHOCK X 270 CALIBER BULLETS

Introduction

Thank you for choosing BARNES TIPPED TRIPLESHOCK X 270 CALIBER (0.277") BULLETS. This guide provides essential safety information to ensure the safe handling, use, and disposal of this product. By following these guidelines, you can help prevent accidents and ensure a safe experience.

General Safety Guidelines

- Always treat bullets as if they are live and ready to use.
- Store bullets in a cool, dry place away from heat sources and direct sunlight.
- Keep bullets out of reach of children and unauthorized users.
- Ensure that you are using the correct caliber and type of bullet for your firearm.
- Read and follow the firearm manufacturer's instructions regarding ammunition.
- Be aware of your surroundings when handling or using bullets.
- Dispose of any damaged or degraded bullets safely and in accordance with local regulations.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE), including safety glasses and hearing protection, when shooting.
- Ensure the firearm is in good working order before use.
- Do not exceed the recommended loads specified by the firearm manufacturer.
- Always check that the barrel is clear of obstructions before loading.
- Avoid using bullets in firearms that are not specifically designed for them.
- Never point a firearm at anything you do not intend to shoot.
- Be mindful of the shooting environment and ensure it is safe to fire.

Instructions for Installation and Usage

• Installation:

- Ensure the firearm is unloaded before attempting to install bullets.
- Follow the firearm manufacturer's guidelines for loading bullets.
- Carefully insert the bullet into the chamber or magazine, ensuring it is seated properly.

• Usage:

- Always maintain a proper shooting stance and grip on the firearm.
- Keep your finger off the trigger until you are ready to shoot.
- Aim only at targets that are safe and within your shooting range.
- After firing, check the firearm for any malfunctions or issues before reloading.

Disposal Instructions

- Dispose of unused or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities or hazardous waste facilities for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and handling of BARNES TIPPED TRIPLESOCK X 270 CALIBER BULLETS, please refer to the manufacturer's website or customer support resources.

Note: This guide is intended to promote safe practices and compliance with the EU General Product Safety Regulation (GPSR). Always stay informed about product recalls and safety updates through the EU's Safety Gate platform.
