

BARNES TIPPED TRIPLE-SHOCK X 35 CALIBER (0.358") BULLETS - BARNES BULLETS TSX 35 CALIBER (0.358") TIPPED BT 200GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

These Tipped TSX bullets feature the same copper body, multiple ring construction as the TSX with the addition of a streamlined polymer tip to improve long-range ballistics. The tip and re-engineered nose cavity provide even faster expansion than the TSX with nearly 100% weight retention, deadly accuracy and excellent terminal performance.

Safety Instructions for BARNES Tipped TripleShock X 35 Caliber Bullets

Introduction

Thank you for choosing BARNES Tipped TripleShock X 35 Caliber (0.358") Bullets. This guide provides essential safety instructions to ensure the safe use of these bullets, in compliance with the European Union General Product Safety Regulation (GPSR). Please read and understand these instructions before use.

General Safety Guidelines

- Always treat all ammunition as if it is loaded.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Use appropriate personal protective equipment (PPE), such as safety glasses and hearing protection, when handling or firing ammunition.
- Ensure that your firearm is compatible with the caliber and specifications of the bullets.
- Follow all local laws and regulations regarding the purchase, possession, and use of ammunition.

Specific Safety Precautions for Use

- Ensure that the firearm is in good working condition and has been properly maintained.
- Do not exceed the manufacturer's recommended load specifications.
- Avoid using damaged or corroded ammunition.
- Never mix different types or brands of ammunition in the same magazine or chamber.
- Be aware of your surroundings and ensure a clear and safe shooting area.
- Always follow the firearm manufacturer's instructions for loading and unloading ammunition.

Instructions for Installation and Usage

1. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action and visually inspect to confirm the firearm is unloaded.
- Insert the BARNES Tipped TripleShock bullets into the magazine or chamber according to your firearm's specifications.

2. Firing the Firearm:

- Assume a proper shooting stance.
- Grip the firearm firmly and place your finger outside the trigger guard until ready to fire.
- Aim carefully at your target.
- Squeeze the trigger gently to fire, maintaining control of the firearm throughout the process.

3. Unloading the Firearm:

- After firing, point the firearm in a safe direction.
- Open the action and remove any remaining ammunition.
- Visually check the chamber to ensure it is empty.

Disposal Instructions

- Do not dispose of ammunition in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.
- If you have damaged or unwanted ammunition, seek advice from a licensed firearms dealer or local law enforcement on how to safely dispose of it.

Contact Information for Further Support

For any safety inquiries or concerns regarding the BARNES Tipped TripleShock X 35 Caliber Bullets, please reach out to the appropriate local authorities or your point of purchase for assistance.

By following these safety instructions, you can ensure a safer experience while using BARNES Tipped TripleShock X 35 Caliber Bullets. Always prioritize safety and responsible handling.
