

# **BARNES TRIPLE SHOCK X 7.62X39MM (0.310") BULLETS - BARNES BULLETS TSX 7.62X39MM (0.310") BT 123GR 50/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

## **Attributes**

- Name: [BARNES BULLETS TSX 7.62X39MM \(0.310"\) BT 123GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)

# Safety Instruction Guide for BARNES TRIPLE SHOCK X 7.62X39MM (0.310") BULLETS

## Introduction

Thank you for choosing BARNES TRIPLE SHOCK X 7.62X39MM (0.310") BULLETS. This guide provides important safety instructions to ensure the safe handling and use of this product. Please read and follow all instructions carefully.

## General Safety Guidelines

- Ensure safe use of all nonfood products, including ammunition.
- Be aware that this product is designed for specific uses as outlined by the manufacturer.
- Always handle ammunition responsibly and store it in a secure location.
- Check for product recalls and safety updates regularly, especially if purchased online.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always treat every bullet as if it is loaded and ready to fire.
- Use this product only in firearms that are specifically chambered for the 7.62X39MM caliber.
- Ensure that you are in a safe environment when handling or using ammunition.
- Keep ammunition out of reach of children and unauthorized persons.
- Wear appropriate eye and ear protection when firing.
- Do not exceed the recommended load specifications provided by the firearm manufacturer.

## Instructions for Installation and Usage

### 1. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and remove any existing ammunition.
- Insert the BARNES TRIPLE SHOCK bullets into the magazine according to the manufacturer's instructions.
- Close the action of the firearm securely.

### 2. Firing the Ammunition:

- Always ensure your target is safe and that you have a clear line of sight.
- Take a stable shooting position and grip the firearm firmly.
- Aim at the target and gently squeeze the trigger to fire.
- After firing, keep the firearm pointed downrange until you are ready to check your results.

### 3. PostUse Handling:

- After shooting, unload the firearm in a safe manner.
- Inspect the firearm and ammunition for any signs of damage or wear.
- Store the remaining ammunition in a cool, dry place, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash.

- Contact local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the BARNES TRIPLE SHOCK X 7.62X39MM (0.310") BULLETS, please contact the manufacturer or your local retailer. Ensure that you have the product details ready for reference.

## Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable experience with BARNES TRIPLE SHOCK X 7.62X39MM (0.310") BULLETS. Always prioritize safety and responsible handling. Thank you for your attention to these important guidelines.
