

BARNES XPB 460 S&W (0.451") PISTOL BULLETS - BARNES BULLETS XPB 460 S&W (0.451") FB 200GR 20/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Featuring Barnes' patented X-Bullet™ technology, all-copper XPB™ bullets offer dramatically increased penetration over conventional jacketed lead-core bullets. These lead-free bullets provide superior expansion and weight retention. Energy transfer is unsurpassed, making them ideal for hunting or self-defense. Barnes' XPB bullets are exceptionally accurate and leave no residue to harm shooters in practice environments.

Safety Instruction Guide for BARNES XPB 460 S&W Pistol Bullets

Introduction

Thank you for choosing BARNES XPB 460 S&W (0.451") Pistol Bullets. These bullets are designed with advanced technology to provide excellent performance in hunting and selfdefense situations. This guide outlines important safety information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle ammunition with care and respect.
- Store bullets in a cool, dry place away from direct sunlight and heat sources.
- Keep ammunition out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Use only compatible firearms that are designed for the 460 S&W caliber.
- Always wear appropriate safety gear, including eye and ear protection, when handling or firing ammunition.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before inserting or removing ammunition.
- Check for any visible damage to the bullets before use. Do not use damaged ammunition.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using bullets that show signs of corrosion or moisture exposure.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always follow the manufacturer's instructions for your specific firearm.

Instructions for Installation and Usage

1. Loading the Firearm

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to confirm it is clear.
- Insert the BARNES XPB bullets into the magazine or chamber, following the manufacturer's guidelines for your firearm.

2. Firing the Ammunition

- Confirm that the firearm is in good working order before use.
- Use proper stance and grip when firing.
- Keep your finger off the trigger until you are ready to shoot.
- Aim at your target and ensure there is a safe backstop.

3. PostFiring Procedures

- After firing, ensure the firearm is unloaded and clean.
- Store any remaining ammunition in a secure location.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash. Contact local authorities for proper disposal methods.
- Always treat unused ammunition as potentially hazardous.

Contact Information for Further Support

For any safety inquiries or concerns regarding the BARNES XPB 460 S&W Pistol Bullets, please refer to the appropriate EU-based contact point or manufacturer's website for assistance.

By following these guidelines, you can ensure a safer experience when using BARNES XPB 460 S&W Pistol Bullets. Your safety is our priority, and we appreciate your commitment to responsible firearm use.
