

BARNES XPB 500 S&W (0.500") PISTOL BULLETS - BARNES BULLETS XPB 500 S&W (0.500") FB 325GR 20/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Featuring Barnes' patented X-Bullet™ technology, all-copper XPB™ bullets offer dramatically increased penetration over conventional jacketed lead-core bullets. These lead-free bullets provide superior expansion and weight retention. Energy transfer is unsurpassed, making them ideal for hunting or self-defense. Barnes' XPB bullets are exceptionally accurate and leave no residue to harm shooters in practice environments.

Safety Instruction Guide for BARNES XPB 500 S&W Pistol Bullets

Introduction

Thank you for choosing BARNES XPB 500 S&W (0.500") Pistol Bullets. This guide provides essential safety instructions and guidelines to ensure the safe use of these bullets. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that you are familiar with the local laws and regulations regarding the use of ammunition.
- Always handle ammunition and firearms with care and respect.
- Store ammunition in a cool, dry place away from direct sunlight and heat sources.
- Keep ammunition out of reach of children and unauthorized persons.
- Regularly check for any product recalls or safety alerts related to ammunition via the EU Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that your firearm is compatible with the BARNES XPB 500 S&W bullets before use.
- Inspect your firearm and ammunition for any signs of damage or defects before use.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using these bullets in firearms that are not designed for highpressure loads.
- Never point a firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all manufacturer instructions for your firearm when using these bullets.

Instructions for Installation and Usage

1. Check Compatibility:

- Verify that your firearm is chambered for 500 S&W caliber.
- Confirm that the barrel and chamber are clean and free of obstructions.

2. Loading the Ammunition:

- Open the ammunition box and carefully remove the bullets.
- Load the bullets into the magazine or chamber according to your firearm's specifications.
- Ensure that the bullets are seated properly and securely.

3. Shooting:

- Set up a safe shooting area with a proper backstop.
- Load your firearm with the BARNES XPB bullets.
- Follow standard shooting practices, including proper stance and grip.

4. PostShooting Care:

- After shooting, ensure that the firearm is unloaded and cleaned according to the manufacturer's instructions.

- Store any remaining ammunition safely.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash.
- Contact local authorities or a hazardous waste disposal facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the BARNES XPB 500 S&W Pistol Bullets, please refer to the manufacturer's website or contact their support team directly. They can provide additional information and assistance regarding safety and usage.

By following these guidelines, you can ensure the safe and effective use of BARNES XPB 500 S&W Pistol Bullets. Always prioritize safety and stay informed about best practices. Thank you for your responsible use of this product.
