

# BARNES BANDED SOLID 416 CALIBER (0.416") BULLETS - BANDED SOLIDS 416 CAL (0.416") RN FB 400GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Barnes' Banded Solids™ stop dangerous game right now! In life-threatening situations, you can depend on Banded Solids to put the largest animal down. Machined from homogenous copper/zinc alloy, these indestructible bullets won't disintegrate or deflect on heavy bone. Multiple bands, or rings, cut into the shank of Barnes Banded Solids relieve pressure and virtually eliminate fouling. New nose design tracks straighter through dense muscle and bone. Weight-matched with TSX Bullets of the same caliber, Banded Solids can be interchanged with expanding bullets without varying point of impact. Banded Solid Spitzers kill fur-bearing game cleanly, without damaging valuable pelts.

## Attributes

- Name: [BANDED SOLIDS 416 CAL \(0.416"\) RN FB 400GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)

# Safety Instruction Guide for BARNES BANDED SOLID 416 CALIBER BULLETS

## Introduction

Thank you for choosing BARNES BANDED SOLID 416 CALIBER (0.416") BULLETS. These bullets are designed for hunting and are engineered to provide reliable performance in the field. This guide provides essential safety instructions to ensure safe handling, usage, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks that may not be addressed by other EU laws.
- Familiarize yourself with the product recall procedures and remedies for dangerous products.
- Understand that online shopping platforms must meet the same safety requirements as physical stores.
- Extra safeguards are in place for vulnerable groups, including children.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always handle bullets with care and ensure they are stored in a secure location.
- Keep ammunition out of reach of children and unauthorized persons.
- Use appropriate protective gear, such as eye protection and hearing protection, when handling or firing firearms.
- Ensure that the firearm used is compatible with the caliber of the bullets.
- Avoid using damaged or corroded ammunition.
- Do not attempt to modify or alter the bullets in any way.
- Always follow local laws and regulations regarding the use and storage of ammunition.

## Instructions for Installation and Usage

- Ensure that you are in a safe and legal location for shooting before loading the bullets into your firearm.
- Check that the firearm is unloaded before inserting the bullets.
- Load the bullets into the magazine or chamber according to the firearm's manual.
- Verify that the firearm is in good working condition before use.
- Follow all manufacturer instructions for the firearm and ammunition.
- When firing, maintain a proper shooting stance and aim in a safe direction.
- After firing, ensure the firearm is unloaded and properly secured.

## Disposal Instructions

- Dispose of any unused or damaged bullets according to local regulations.
- Do not throw bullets in regular household waste.
- Check with local authorities or waste management facilities for proper disposal methods.

## Contact Information for Further Support

For any questions or safety inquiries regarding BARNES BANDED SOLID 416 CALIBER BULLETS, please refer to the manufacturer's website or contact the appropriate support channels.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority.

Always use caution and follow best practices when handling firearms and ammunition.
