

BARNES BANDED SOLID 404 JEFFERY (0.422") BULLETS - BARNES BULLETS BANDED SOLIDS 404 JEFFERY (0.422") RN FB 400GR 50/BX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Barnes' Banded Solids™ stop dangerous game right now! In life-threatening situations, you can depend on Banded Solids to put the largest animal down. Machined from homogenous copper/zinc alloy, these indestructible bullets won't disintegrate or deflect on heavy bone. Multiple bands, or rings, cut into the shank of Barnes Banded Solids relieve pressure and virtually eliminate fouling. New nose design tracks straighter through dense muscle and bone. Weight-matched with TSX Bullets of the same caliber, Banded Solids can be interchanged with expanding bullets without varying point of impact. Banded Solid Spitzers kill fur-bearing game cleanly, without damaging valuable pelts. 30703 - The 50 BMG 750 grain Banded Solid Bore Rider has a Secant O'Give and is designed for use in single shot rifles with custom throats where overall cartridge length isn't an issue. 30707 - The 50 BMG 800 grain Banded Solid Bore Rider has a Secant O'Give and is designed for use in single shot rifles with custom throats where overall cartridge length isn't an issue.

BARNES BANDED SOLID 404 JEFFERY (0.422") BULLETS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Barnes Banded Solid 404 Jeffery (0.422") Bullets. These bullets are designed for effective performance in hunting and shooting applications. To ensure your safety and the safety of others while using this product, please carefully read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that you are familiar with the local laws and regulations regarding the use of ammunition and firearms in your area.
- Always store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Use only in firearms that are specifically designed for the caliber of the bullets.
- Inspect bullets for any visible damage before use. Do not use damaged ammunition.
- Always wear appropriate personal protective equipment (PPE), including eye and hearing protection, when handling or firing firearms.

Specific Safety Precautions for Use

- **Handling Ammunition:**
 - Always treat every bullet as if it is live and capable of being fired.
 - Do not handle ammunition with wet or oily hands.
- **Loading Firearms:**
 - Ensure the firearm is pointed in a safe direction when loading and unloading.
 - Follow the manufacturer's instructions for loading the specific firearm.
- **Firing:**
 - Only fire ammunition in a wellventilated area.
 - Ensure that the firearm is securely supported and that you have a firm grip.
- **PostFiring:**
 - Always check the firearm to ensure it is unloaded after firing.
 - Store any remaining ammunition safely and securely.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that your firearm is unloaded before installing the bullets.
 - Use only the specified caliber (404 Jeffery) for the bullets.
 - Follow the firearm manufacturer's guidelines for loading bullets into the magazine or chamber.
- **Usage:**
 - When using the bullets for hunting or shooting, ensure that you are in a designated area where such activities are permitted.
 - Be aware of your surroundings and ensure that there are no people or animals in your line of fire.
 - Follow all local hunting regulations regarding the use of ammunition and types of game.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw bullets in regular trash; instead, contact local authorities or waste management services for proper disposal options.
- Ensure that any spent casings are collected and disposed of safely to prevent environmental

contamination.

Contact Information for Further Support

For any questions or concerns regarding the safety of the Barnes Banded Solid 404 Jeffery (0.422") Bullets, please refer to the manufacturer's website or contact the retailer from whom you purchased the product. Always ensure you have the latest information regarding safety recalls and product updates.

Conclusion

Your safety is our priority. By following these guidelines and precautions, you can ensure a safer experience while using the Barnes Banded Solid 404 Jeffery (0.422") Bullets. Always stay informed about the safe handling and usage of ammunition to protect yourself and those around you. Thank you for your attention to these important safety instructions.
