

# BARNES BANDED SOLID 500 JEFFERY (0.510") BULLETS - BARNES BULLETS 500 JEFFERY (0.510") 535GR BANDED ROUND NOSE FB 20/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Barnes' Banded Solids™ stop dangerous game right now! In life-threatening situations, you can depend on Banded Solids to put the largest animal down. Machined from homogenous copper/zinc alloy, these indestructible bullets won't disintegrate or deflect on heavy bone. Multiple bands, or rings, cut into the shank of Barnes Banded Solids relieve pressure and virtually eliminate fouling. New nose design tracks straighter through dense muscle and bone. Weight-matched with TSX Bullets of the same caliber, Banded Solids can be interchanged with expanding bullets without varying point of impact. Banded Solid Spitzers kill fur-bearing game cleanly, without damaging valuable pelts. 30703 - The 50 BMG 750 grain Banded Solid Bore Rider has a Secant O'Give and is designed for use in single shot rifles with custom throats where overall cartridge length isn't an issue. 30707 - The 50 BMG 800 grain Banded Solid Bore Rider has a Secant O'Give and is designed for use in single shot rifles with custom throats where overall cartridge length isn't an issue.

# Safety Instruction Guide for BARNES BANDED SOLID 500 JEFFERY (0.510") BULLETS

## Introduction

Thank you for choosing BARNES BANDED SOLID 500 JEFFERY (0.510") BULLETS. This guide provides essential safety instructions to ensure the safe use of this product. By following these guidelines, you can minimize risks and enhance your shooting experience.

## General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Use only in firearms that are designed for the specified caliber.
- Inspect bullets for any signs of damage before use.
- Follow all local laws and regulations regarding ammunition and firearm use.

## Specific Safety Precautions for Use

- Ensure that you are wearing appropriate eye and ear protection before firing.
- Always use the correct caliber firearm for these bullets (500 Jeffery).
- Do not modify the bullets or attempt to disassemble them.
- Avoid using these bullets in firearms that have not been properly maintained.
- Be aware of your target and what lies beyond it to ensure safe shooting practices.
- If you experience any malfunctions or misfires, follow proper procedures for handling such situations.

## Instructions for Installation and Usage

- Before installation, ensure that the firearm is unloaded and pointed in a safe direction.
- Carefully insert the bullet into the casing, ensuring it is seated properly.
- Check that the bullet is securely in place before chambering it in the firearm.
- Follow the manufacturer's instructions for your specific firearm regarding ammunition loading and firing.
- When ready to fire, ensure your stance is stable and your grip is secure.
- After firing, wait a few moments before checking the firearm for any issues, as there may be a risk of a hangfire.

## Disposal Instructions

- Dispose of any unused or damaged bullets according to local regulations.
- Do not throw bullets in regular trash; contact local authorities for proper disposal methods.
- If you have any questions about disposal, consult with a firearms expert or local waste management authority.

## Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

By adhering to these safety guidelines, you can enjoy the performance of BARNES BANDED SOLID 500 JEFFERY (0.510") BULLETS while ensuring a safe shooting environment. Always prioritize safety and responsible firearm handling.
