

# BARNES BANDED SOLID 50 BMG (0.510") BULLETS - BARNES BULLETS BANDED SOLIDS 50 BMG (0.510") BORE RIDER BT 750 GR 20/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Barnes' Banded Solids™ stop dangerous game right now! In life-threatening situations, you can depend on Banded Solids to put the largest animal down. Machined from homogenous copper/zinc alloy, these indestructible bullets won't disintegrate or deflect on heavy bone. Multiple bands, or rings, cut into the shank of Barnes Banded Solids relieve pressure and virtually eliminate fouling. New nose design tracks straighter through dense muscle and bone. Weight-matched with TSX Bullets of the same caliber, Banded Solids can be interchanged with expanding bullets without varying point of impact. Banded Solid Spitzers kill fur-bearing game cleanly, without damaging valuable pelts. 30703 - The 50 BMG 750 grain Banded Solid Bore Rider has a Secant O'Give and is designed for use in single shot rifles with custom throats where overall cartridge length isn't an issue. 30707 - The 50 BMG 800 grain Banded Solid Bore Rider has a Secant O'Give and is designed for use in single shot rifles with custom throats where overall cartridge length isn't an issue.

# Safety Instruction Guide for BARNES BANDED SOLID 50 BMG (0.510") BULLETS

## Introduction

Thank you for choosing BARNES BANDED SOLID 50 BMG (0.510") BULLETS. This guide is designed to help you understand the safe use, installation, and disposal of these bullets, ensuring compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to ensure safe handling and use of the product.

## General Safety Guidelines

- Ensure that all safety precautions are observed while handling and using ammunition.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Always check for local laws and regulations regarding the use and storage of ammunition.
- Be aware of your surroundings and ensure you are in a safe environment when using these bullets.
- In case of an emergency or unsafe product, report to the relevant authorities immediately.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection while using firearms loaded with these bullets.
- Use only in firearms that are specifically designed for the .50 BMG caliber.
- Verify that your firearm is in good working condition and is properly maintained before use.
- Do not exceed the recommended load specifications for your firearm.
- Never point a firearm at anything you do not intend to shoot.
- Be aware of the effective range of the bullets and ensure a safe backdrop when firing.
- Follow all manufacturer instructions for your specific firearm model.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you are in a safe and controlled environment.
- Gather all necessary equipment, including your firearm, ammunition, and safety gear.

### 2. Loading the Bullets:

- Open the ammunition box and remove the bullets carefully.
- Inspect each bullet for any signs of damage before use.
- Load bullets into the magazine or chamber of your firearm according to the manufacturer's instructions.

### 3. Firing:

- Ensure the firearm is pointed in a safe direction.
- Check that the safety mechanism is disengaged before firing.
- Fire the weapon while maintaining a firm grip and proper stance.

### 4. PostUse:

- After firing, always ensure the firearm is unloaded before cleaning or storing.
- Clean the firearm according to the manufacturer's guidelines to maintain its performance.

## **Disposal Instructions**

- Dispose of used or damaged bullets in accordance with local laws and regulations.
- Do not throw bullets in regular trash or dispose of them in a manner that could pose a risk to the environment or public safety.
- Contact local waste management or hazardous materials disposal services for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any further inquiries regarding safety or product performance, please refer to the manufacturer's contact details provided with the product packaging.

By following this safety instruction guide, you can ensure a safe and responsible experience with BARNES BANDED SOLID 50 BMG (0.510") BULLETS. Always prioritize safety and compliance with regulations to protect yourself and others. Thank you for your attention to these important safety measures.
