

# **BARNES MUTLI-PURPOSE GREEN (MPG) 30 CALIBER (0.308") BULLETS - BARNES BULLETS MPG 30 CAL (0.308") HOLLOW POINT FB LF 150GR 50/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Barnes offers bullets featuring Multi-Purpose Green (MPG™) technology developed for military and law enforcement applications. MPG bullets feature a highly frangible, powdered-metal copper-tin core inside a gilding metal jacket. Unlike frangible bullets lacking a protective jacket, MPG bullets remain intact under the rigors of handling, feeding and firing. This eliminates the primary cause of jammed actions and plugged barrels often experienced when firing frangible ammunition. The 55-grain 5.56mm (.224) MPG bullet is designed for M4, HK416 and AR-15 type autoloaders and other firearms with rifling twist rates of 1:9" or faster. A 150-grain 7.62mm (.308) version is available for AR-10, SR-25, M40 (Remington 700) and M14 rifles with 1:12" or faster rifling twists. These open-tip bullets remain intact at ultra-high velocities and extreme rates of spin. On impact, they deliver explosive fragmentation. Barnes' Multi-Purpose Green bullets are exceptionally accurate. They're ideal for shooting steel targets, competition, plinking, varmint hunting and home defense. "Green" is military shorthand for "lead-free"—a requirement in military and LE practice environments.

## **Attributes**

- Name: [BARNES BULLETS MPG 30 CAL \(0.308"\) HOLLOW POINT FB LF 150GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)
- Product no.: 100033005
- Mfr. No.: 30331
- Ballistic Coefficient (G1): 0.357

# Safety Instruction Guide for BARNES MULTIPURPOSE GREEN (MPG) 30 CALIBER (0.308") BULLETS

## Introduction

Thank you for choosing BARNES MULTIPURPOSE GREEN (MPG) 30 CALIBER (0.308") BULLETS. These bullets are designed with advanced technology for military and law enforcement applications. This guide provides essential safety instructions to ensure safe handling and use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle bullets with care and respect.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Use appropriate protective gear, including safety glasses and hearing protection, when handling or using firearms.
- Ensure that your firearm is compatible with the bullets you are using.
- Regularly check for product recalls and safety updates through official channels.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Risk of injury from improper handling or use.
  - Potential for accidental discharge if firearms are not handled correctly.
  - Environmental hazards associated with lead exposure, although this product is leadfree.
- **Instructions for Avoiding Hazards:**
  - Always treat firearms as if they are loaded.
  - Never point the firearm at anything you do not intend to shoot.
  - Ensure the firearm is pointed in a safe direction when loading or unloading.
  - Do not consume alcohol or drugs before or during the use of firearms.
  - Follow all local laws and regulations regarding the use of ammunition.
- **Age Specific Warnings:**
  - This product is intended for use by adults only.
  - Ensure that minors are supervised by a responsible adult when handling firearms.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure that the firearm is unloaded before installing the bullets.
  - Follow the manufacturer's instructions for loading bullets into the firearm.
  - Inspect the bullets for any signs of damage before use.
- **Usage:**

- Use bullets only in firearms that are designed for the specified caliber (0.308").
- Always refer to the firearm's manual for specific loading and firing instructions.
- Use bullets in a safe and controlled environment, such as a designated shooting range.
- Be aware of your surroundings and ensure that the area is clear of unauthorized individuals.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular household waste.
- Contact local waste management authorities for safe disposal options.

## Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the official contact points provided by the manufacturer or local authorities.

By following these safety instructions, you can ensure a safe and enjoyable experience with BARNES MULTIPURPOSE GREEN (MPG) 30 CALIBER (0.308") BULLETS. Always prioritize safety and responsibility when handling ammunition.
