

BARNES M/LE TAC-TX 6.5MM (0.264") BULLETS - 6.5MM (0.264") 100GR BOAT TAIL 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

All-copper TAC-TX™ rifle bullets have a proven reputation for accuracy. They're designed for controlled, double-diameter expansion and full functionality at close or long range. These bullets track straighter through barriers and have better weight retention than lead-core bullets.

Safety Instruction Guide for BARNES M/LE TACTX 6.5MM Bullets

Introduction

Thank you for choosing BARNES M/LE TACTX 6.5MM (0.264") Bullets. This guide provides important safety information to ensure the safe and effective use of this product. Please read this document carefully before use.

General Safety Guidelines

- Follow all local laws and regulations regarding the use and storage of ammunition.
- Keep ammunition out of reach of children and unauthorized persons.
- Inspect the product for any visible damage or defects before use.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Use only in firearms that are specifically designed for 6.5mm (0.264") ammunition.
- Always wear appropriate safety gear, including eye protection, when handling or using ammunition.
- Be aware of your surroundings and ensure that you have a safe backdrop when shooting.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - These bullets are designed for use in firearms and can cause serious injury or death if mishandled.
 - Improper use can lead to misfires or other malfunctions.
- **Avoiding Hazards:**
 - Always check the firearm's chamber to ensure it is clear before loading ammunition.
 - Do not mix different types of ammunition.
 - Follow the manufacturer's instructions for your specific firearm model.
 - Never point a firearm at anything you do not intend to shoot.
 - Ensure that the firearm is pointed in a safe direction during loading and unloading.

Instructions for Installation and Usage

- **Loading the Firearm:**
 - Ensure the firearm is pointed in a safe direction.
 - Open the action of the firearm and visually inspect the chamber to confirm it is empty.
 - Insert the BARNES M/LE TACTX 6.5MM bullets into the magazine or chamber according to the firearm's manual.
- **Firing:**
 - Always check your surroundings before firing.
 - Maintain a firm grip on the firearm and ensure proper stance.
 - After firing, keep the firearm pointed downrange until you are sure it is safe to move.
- **Unloading the Firearm:**
 - Open the action and visually inspect the chamber to ensure it is empty.
 - Remove any remaining ammunition from the magazine or chamber.
 - Store the firearm and ammunition safely.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local laws and regulations.
- Do not throw bullets in regular trash. Contact local authorities for proper disposal methods.
- If you encounter damaged or defective bullets, do not attempt to use them. Follow local guidelines for disposal.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's website or customer service resources. Ensure you have your product information available for reference.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your BARNES M/LE TACTX 6.5MM Bullets. Always prioritize safety and responsible handling practices.
