

# BARNES M/LE TAC-TX 6.5MM (0.264") BULLETS - 6.5MM (0.264") 120GR BOAT TAIL 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

All-copper TAC-TX™ rifle bullets have a proven reputation for accuracy. They're designed for controlled, double-diameter expansion and full functionality at close or long range. These bullets track straighter through barriers and have better weight retention than lead-core bullets.

# Safety Instruction Guide for BARNES M/LE TACTX 6.5MM Bullets

## Introduction

Thank you for choosing BARNES M/LE TACTX 6.5MM (0.264") Bullets. This guide provides essential safety instructions to ensure safe handling, usage, and disposal of the product. Your safety is our priority, and we encourage you to read this guide thoroughly.

## General Safety Guidelines

- Ensure that you are of legal age and have the necessary permits to purchase and use ammunition in your jurisdiction.
- Always handle bullets with care and keep them out of reach of children and unauthorized users.
- Store bullets in a cool, dry place, away from heat sources and direct sunlight.
- Regularly check for any signs of damage or corrosion on the bullets before use.
- Always use appropriate protective gear, including safety glasses and hearing protection, when handling or firing ammunition.
- Be aware of your surroundings and ensure a safe shooting environment to prevent accidents.

## Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for loading and firing ammunition.
- Use only firearms that are specifically designed for 6.5mm caliber ammunition.
- Verify that your firearm is in good working condition before use.
- Do not mix different types or brands of ammunition in your firearm.
- Never point a firearm at anything you do not intend to shoot.
- If a bullet does not fire, wait at least 30 seconds before attempting to remove it from the chamber to avoid accidental discharge.
- Be cautious of ricochet hazards when shooting in environments with hard surfaces.

## Instructions for Installation and Usage

- Carefully read the firearm's owner's manual for specific instructions related to loading and firing.
- Ensure that the firearm is unloaded before inserting bullets into the magazine or chamber.
- Load bullets into the magazine according to the firearm's specifications.
- When ready to fire, ensure that the safety mechanism is disengaged and aim at your intended target.
- After firing, always check the chamber to ensure it is empty before handling the firearm further.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local laws and regulations.
- Do not throw bullets in regular trash; instead, contact local waste management authorities for proper disposal methods.
- If you have any concerns about the disposal of bullets, consult with local law enforcement or hazardous waste disposal services.

## Contact Information for Further Support

For any safety inquiries or concerns, please refer to the appropriate EU-based contact point for assistance.

## Conclusion

By adhering to these safety guidelines, you can ensure a safe and enjoyable experience while using BARNES M/LE TACTX 6.5MM Bullets. Always prioritize safety and stay informed about the proper handling and disposal of ammunition. Thank you for your attention and commitment to safety.
