

BARNES M/LE TAC-TX 6.8MM (0.277") BULLETS - 6.8MM (0.277") 95GR BOAT TAIL 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

All-copper TAC-TX™ rifle bullets have a proven reputation for accuracy. They're designed for controlled, double-diameter expansion and full functionality at close or long range. These bullets track straighter through barriers and have better weight retention than lead-core bullets.

Consumer Safety Instruction Guide for BARNES M/LE TACTX 6.8MM Bullets

Introduction

Thank you for choosing BARNES M/LE TACTX 6.8MM (0.277") Bullets. This guide provides essential safety instructions to ensure the safe use of our product in compliance with the EU General Product Safety Regulation (GPSR). It is crucial to follow these guidelines to minimize risks and enhance your shooting experience.

General Safety Guidelines

- Always handle bullets with care and respect as they are designed for use in firearms.
- Ensure you are of legal age and have the necessary permits to purchase and use ammunition.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Regularly check for product recalls or safety alerts on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use only in firearms that are compatible with the 6.8mm caliber.
- Always wear appropriate eye and ear protection when shooting.
- Do not exceed the recommended load for your firearm as specified by the manufacturer.
- Inspect your firearm and ammunition for any signs of damage or wear before use.
- Do not attempt to modify or alter the bullets in any way.
- Ensure that you are in a safe and designated shooting area when using the bullets.
- Be aware of your surroundings and ensure that the area is clear of people and animals before firing.

Instructions for Installation and Usage

- Verify that your firearm is unloaded before inserting the bullets.
- Carefully load the bullets into the magazine or chamber according to the manufacturer's instructions for your specific firearm.
- Once loaded, ensure that the firearm is pointed in a safe direction and that your finger is off the trigger until you are ready to shoot.
- After firing, ensure that the firearm is unloaded and safe before handling or inspecting it.
- Store any unused bullets in their original packaging to maintain safety and integrity.

Disposal Instructions

- Do not dispose of bullets in regular household waste.
- Follow local regulations for the disposal of ammunition and hazardous materials.
- If you have unused or expired bullets, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the BARNES M/LE TACTX 6.8MM Bullets, please refer to the appropriate EU contact point for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with BARNES M/LE TACTX 6.8MM Bullets. Thank you for your attention to safety.
