

# **BARNES M/LE TAC-TX 30 CALIBER (0.308") BULLETS - TAC-TX 30 CALIBER (0.308") M/LE FLAT BASE 110GR 50/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

All-copper TAC-TX™ rifle bullets have a proven reputation for accuracy. They're designed for controlled, double-diameter expansion and full functionality at close or long range. These bullets track straighter through barriers and have better weight retention than lead-core bullets.

# Safety Instruction Guide for BARNES M/LE TACTX 30 Caliber Bullets

## Introduction

Thank you for choosing BARNES M/LE TACTX 30 Caliber (0.308") Bullets. These allcopper TACTX™ rifle bullets are known for their accuracy and performance. This guide provides important safety information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Keep ammunition out of reach of children and unauthorized individuals.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Always follow local laws and regulations regarding the purchase, storage, and use of ammunition.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that your firearm is compatible with 30 Caliber (0.308") ammunition before use.
- Always wear appropriate eye and ear protection when shooting.
- Do not use damaged or corroded bullets.
- Never attempt to modify or alter the bullets or their packaging.
- Be aware of your surroundings and ensure that the shooting area is safe and secure.
- Follow the manufacturer's instructions for your specific firearm to ensure safe operation.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction before handling ammunition.
- Check the condition of the bullets and ensure they are free from damage.

### 2. Loading:

- Open the box carefully to avoid damaging the bullets.
- Load the bullets into the magazine or chamber of your firearm as per the manufacturer's guidelines.

### 3. Shooting:

- Adopt a stable shooting position.
- Aim at the intended target and ensure the area is clear.
- Pull the trigger smoothly and steadily to fire.

### 4. PostShooting:

- After shooting, unload your firearm in a safe manner.
- Store any remaining ammunition securely.

## **Disposal Instructions**

- Dispose of any unwanted or damaged ammunition in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the BARNES M/LE TACTX 30 Caliber Bullets, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines, you can ensure the safe and responsible use of BARNES M/LE TACTX 30 Caliber Bullets. Thank you for prioritizing safety.
