

# BARNES M/LE TAC-TX 30 CALIBER (0.308") BULLETS - BARNES BULLETS TAC-TX 30 CAL (0.308") M/LE BOAT TAIL 120GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

All-copper TAC-TX™ rifle bullets have a proven reputation for accuracy. They're designed for controlled, double-diameter expansion and full functionality at close or long range. These bullets track straighter through barriers and have better weight retention than lead-core bullets.

# Safety Instruction Guide for BARNES M/LE TACTX 30 Caliber Bullets

## Introduction

Thank you for choosing BARNES M/LE TACTX 30 Caliber (0.308") Bullets. This guide provides essential safety instructions to ensure safe handling and usage of this product. Please read and follow these guidelines carefully to avoid any hazards associated with its use.

## General Safety Guidelines

- Always handle bullets with care and store them in a safe location away from children and unauthorized individuals.
- Ensure that you are familiar with local laws and regulations regarding the use and storage of ammunition.
- Use appropriate protective gear, such as safety glasses and hearing protection, when handling or using firearms.
- Be aware of your surroundings and ensure that there is a safe backstop when shooting.
- Regularly check for product recalls or safety alerts through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals who are 18 years of age or older. Ensure that minors do not have access to this product.
- **Storage:** Store bullets in a cool, dry place, away from heat sources or direct sunlight. Keep them in their original packaging until ready for use.
- **Handling:** Avoid touching the bullet tips and do not apply excessive force when loading or unloading ammunition.
- **Inspection:** Before use, inspect the bullets for any signs of damage or defects. Do not use damaged bullets.
- **Disposal:** Follow local regulations for the disposal of unused or damaged ammunition. Do not dispose of bullets in regular trash.

## Instructions for Installation and Usage

1. **Preparation:** Ensure that you are in a safe environment to handle ammunition. Check that your firearm is unloaded before loading bullets.
2. **Loading:**
  - Follow the manufacturer's instructions for loading bullets into your specific firearm.
  - Ensure that bullets are seated correctly in the chamber.
3. **Shooting:**
  - Always aim in a safe direction.
  - Fire only when you are sure of your target and what is beyond it.
  - If a bullet does not fire, wait at least 30 seconds before attempting to clear the firearm.
4. **PostUse:**
  - After shooting, clean your firearm according to the manufacturer's instructions.
  - Store any remaining bullets safely as described above.

## Disposal Instructions

- Do not throw away bullets in regular household waste.
- Contact your local waste management authority for proper disposal options.
- Consider taking unused or damaged bullets to a licensed firearms dealer for safe disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety of BARNES M/LE TACTX 30 Caliber Bullets, please consult your local firearms dealer or relevant authorities. Always ensure you have access to up to date safety information and guidelines.

By following these safety instructions, you can help ensure a safe experience with your BARNES M/LE TACTX 30 Caliber Bullets. Thank you for your attention to safety.
