M&P™ 1522 Handguards Safety Instruction Guide

Introduction

Thank you for choosing the M&P™ 1522 Handguards by TACTICOOL22. This guide provides essential safety instructions and guidelines for the proper installation and use of your new handguards. Please read this document carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the M&P™ 1522 Handguards by following the instructions provided. This product is designed for use with the Smith & Wesson M&P 1522 rifle and is not intended for any other application.
- **Enhanced Recalls:** Stay informed about any product recalls. In the event of a recall, you will be notified through standardized notices, and remedies will be provided for any dangerous products.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors and ensure that only qualified individuals handle the installation and use of the handguards.
- **EU Contact Point:** For any safety inquiries related to this product, refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation:** Ensure that the installation is performed by a qualified individual. Improper installation can lead to malfunctions or accidents.
- **Use:** Only use the handguards with the Smith & Wesson M&P 1522 rifle. Do not attempt to modify or adapt the handguards for other firearms.
- **Inspection:** Regularly inspect the handguards for any signs of damage or wear. If any issues are detected, discontinue use immediately and consult a qualified gunsmith.
- **Handling:** Always handle the firearm responsibly. Treat it as if it is loaded, even when it is not.
- **Storage:** Store the firearm securely and ensure that the handguards are not exposed to extreme conditions that could compromise their integrity.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction before beginning the installation.
- Remove any existing handguards from the rifle.
- Align the M&P™ 1522 Handguards with the receiver, ensuring a tight fit.
- Secure the handguards using the provided barrel nut. No timing or shims are required.
- Ensure that the antirotation tabs are properly engaged to prevent movement during use.
- Confirm that the handguards are securely attached before proceeding.

2. Usage:

- Once installed, familiarize yourself with the placement of the top Picatinny rail and MLOK accessory slots.
- Attach any accessories as needed, ensuring that they are compatible with MLOK specifications.

- Maintain a proper grip on the rifle while aiming and firing.

Disposal Instructions

- Dispose of the handguards responsibly according to local regulations.
- If the product is damaged beyond repair, ensure that it is rendered unusable before disposal.
- Recycle materials where possible, in accordance with local waste management guidelines.

Contact Information for Further Support

For safety inquiries, product support, or to report any unsafe products or incidents, please refer to the designated EU contact point associated with this product.

Thank you for your attention to these safety guidelines. Enjoy using your M&P™ 1522 Handguards safely and responsibly.
