## Reduce Overtravel - Increase Accuracy

Own one of Smith & Wesson's budget-priced SDVE handguns? You don't have to live with the budget trigger pull that comes with it! Add in one of Apex Tactical's Polymer Action Enhancement Triggers and watch your capabilities grow. Each Apex Tactical Polymer Trigger is designed to replace the factory hinged trigger found on the S&W SDVE, giving users a solid-body design in its place. At the center of the trigger is a pivoting safety, which preserves the factory safety values while providing a more-solid trigger pull. After installing the Apex Tactical Polymer Action Enhancement Trigger, users will find that the design reduces pre-travel by 20 percent and overtravel by 10 percent. Additionally, the trigger face is designed to offer a smoother, more-comfortable shooting surface for SDVE owners. Options are available in black or FDE colors.

# Safety Instruction Guide for SMITH & WESSON SDVE POLYMER ACTION ENHANCEMENT TRIGGER

## Introduction

Thank you for purchasing the SMITH & WESSON SDVE Polymer Action Enhancement Trigger by Apex Tactical Specialties Inc. This guide provides essential safety instructions to ensure the safe use and installation of your new trigger. Please read this document carefully to understand the necessary precautions and guidelines.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Ensure the firearm is unloaded before installing or handling the trigger.
- Store firearms and ammunition separately, in a secure location, out of reach of children and unauthorized users.
- Never rely solely on mechanical safety devices; always follow safe handling practices.
- Be aware of your surroundings and ensure you have a safe backdrop when shooting.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the SMITH & WESSON SDVE Polymer Action Enhancement Trigger is compatible with your firearm model.
- Only use the trigger as intended and follow all installation and usage instructions.
- Inspect the trigger for any damage before installation. Do not install if damaged.
- If you experience any malfunctions or irregularities during use, cease operation immediately and consult a qualified gunsmith.
- Keep this product away from children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) when handling firearms, including eye and ear protection.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Ensure Safety:

- Confirm that your firearm is unloaded and pointed in a safe direction.

#### 2. Remove the Factory Trigger:

- Follow the manufacturer's guidelines to remove the factory hinged trigger from your S&W SDVE.

#### 3. Install the Apex Tactical Polymer Action Enhancement Trigger:

- Align the new trigger with the trigger assembly.
- Secure the trigger in place according to the installation instructions provided by Apex Tactical.

#### **4. Test the Trigger:**

- After installation, ensure that the trigger functions correctly by performing a safety check.
- Confirm that the pivoting safety operates as intended.

#### **5. Final Inspection:**

- Inspect the installation to ensure that there are no loose parts or misalignments.

### **Usage Instructions**

- Before firing, ensure the firearm is in good working condition.
- Use the trigger in accordance with standard shooting practices.
- Monitor the trigger's performance during use; if any issues arise, stop using the firearm immediately and consult a qualified gunsmith.

### **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local regulations.
- If you need to dispose of the trigger or any firearm components, contact a local waste management facility for proper disposal methods.
- Do not throw away in regular household waste.

### **Contact Information for Further Support**

For any inquiries regarding the SMITH & WESSON SDVE Polymer Action Enhancement Trigger, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safer experience with your SMITH & WESSON SDVE Polymer Action Enhancement Trigger. Always prioritize safety and responsible handling practices.
