## Smoother, More Consistent Trigger Pull

Designed as a complete improvement solution for Smith & Wesson's line of M&P M2.0 handguns, the Apex Tactical Polymer Action Enhancement Trigger combined with the company's Duty/Carry Kit works to offer improved capabilities. This Apex Tactical combination offers reduced over-travel and pre-travel, thanks to the Polymer Action Enhancement Trigger. This trigger also provides a comfortable, flat-faced design and uses a pivoting safety rather than the traditional hinged safety. The other component of the Apex Tactical upgrade is the Duty/Carry kit, which provides a smoother, more-consistent trigger pull measuring 5 to 5.5 pounds, along with shortened over-travel and reset. The components are designed to drop in easily, but the company does recommend gunsmith installation.

# Safety Instruction Guide for S&W M&P M2.0 Polymer Action Enhancement Trigger & Duty/Carry Kit

## Introduction

Thank you for choosing the S&W M&P M2.0 Polymer Action Enhancement Trigger & Duty/Carry Kit from Apex Tactical Specialties Inc. This product is designed to enhance the performance of your Smith & Wesson M&P M2.0 handgun. To ensure your safety and the safety of others, please read this guide carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** This product complies with the EU General Product Safety Regulation (GPSR) to ensure safe use.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation may lead to malfunction.
  - Failure to follow safety instructions can result in injury.
- **Avoiding Hazards:**
  - Always ensure the firearm is unloaded before installation.
  - Use appropriate tools and follow installation instructions carefully.
  - Do not attempt to modify the trigger or kit components beyond the intended use.
- **Age Specific Warnings:** This product is intended for use by individuals aged 18 and older. Ensure that users are knowledgeable about firearm safety.

## Instructions for Installation and Usage

- **Installation Instructions:**
  1. Ensure the firearm is completely unloaded.
  2. Gather necessary tools: screwdriver, punch tool, and any other tools specified in the installation manual.
  3. Follow the stepbystep installation guide provided by Apex Tactical Specialties Inc.
  4. Verify that all components are securely installed and functioning correctly before use.
- **Usage Instructions:**
  - After installation, conduct a function test to ensure the trigger operates smoothly.
  - Practice safe handling of the firearm at all times.
  - Regularly inspect the trigger and kit components for wear or damage.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer in use, or if it is damaged, consult local waste management guidelines for proper disposal.

## **Contact Information for Further Support**

For assistance or inquiries regarding the S&W M&P M2.0 Polymer Action Enhancement Trigger & Duty/Carry Kit, please refer to the manufacturer's contact information provided with your purchase.

Thank you for your attention to these safety guidelines. Enjoy enhanced performance with your S&W M&P M2.0 handgun!
