

PRECISION RIFLE SLING - ARMAGEDDON GEAR PRECISION RIFLE SLING WITH QD SWIVELS, MULTICAM

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

Versatile, Comfortable, and Durable

The Armageddon Gear Precision Rifle Sling is a highly versatile tool that can be used as a patrol/assault sling, yet also provides support when firing from alternate positions. No other slings allows shooters to “sling in” to a sling-supported position and unsling from that position as quickly and easily as the Armageddon Gear Precision Rifle Sling. The Precision Rifle Sling features a proprietary bungee webbing for enhanced comfort. This offers the same strength and stretch as sewn-together bungee sections but with a softer texture and rounded edges. The built in stretch reduces the felt weight of the weapon and also allows the weapon to remain close and enables faster transitions to support side without adjusting buckels or slides. Comes with QD swivels installed. Simple and intuitive design Rugged and durable construction

Armageddon Gear Precision Rifle Sling Safety Instruction Guide

Introduction

Thank you for choosing the Armageddon Gear Precision Rifle Sling. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your sling. Please read this document carefully before using the product.

General Safety Guidelines

- Always ensure that your sling is properly attached to your rifle before use.
- Inspect the sling regularly for any signs of wear or damage.
- Never exceed the weight limit specified by the manufacturer.
- Keep the sling away from children and unauthorized users.
- Use the sling only for its intended purpose; do not modify or alter it in any way.
- Familiarize yourself with the operation of the Quick Detach (QD) swivels before use.

Specific Safety Precautions for Use

- Ensure that the sling is securely fastened to both the rifle and the user to prevent accidental release.
- When transitioning from one shooting position to another, maintain control of the firearm at all times.
- Avoid using the sling in environments where it may become entangled with other objects.
- Be aware of your surroundings and ensure that the area is clear of obstacles when using the sling.
- Use caution when adjusting the sling to ensure that it does not accidentally release or cause injury.

Instructions for Installation and Usage

1. Installation of the Sling:

- Locate the QD swivels on the sling.
- Attach the QD swivels to the designated points on your rifle.
- Ensure that the swivels click securely into place.

2. Adjusting the Sling:

- To adjust the length of the sling, locate the adjustment mechanism.
- Pull or release the adjustment strap to achieve the desired length.
- Ensure that the adjustment is secure before use.

3. Using the Sling:

- Place the sling over your shoulder or around your body as needed.
- Ensure that the sling is comfortable and allows for freedom of movement.
- When transitioning to a shooting position, ensure that the sling supports the rifle effectively.

4. Removing the Sling:

- To remove the sling, simply detach the QD swivels from the rifle.
- Store the sling in a safe location when not in use.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the sling in regular household waste if it contains hazardous materials.
