

HEAVY CARBINE SLING WITH QD SWIVELS, COYOTE BROWN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

A Sling for Heavy Rifles

The 1.5" Heavy Carbine Sling is perfect for your 308 AR, SCAR-H, 7.62 Battle Rifle, or any other carbine, especially those weighed down with lights, lasers, bipods, suppressors, and heavy optics. Also perfect if you just want a little more comfort from the wider webbing. Features Armageddon Gears proprietary bungee webbing, just like the updated Precision Rifle Sling. Wide webbing makes carrying heavy weapons more comfortable. Built in bungee webbing helps reduce felt weight

Heavy Carbine Sling Safety Instruction Guide

Introduction

Thank you for choosing the Heavy Carbine Sling with QD Swivels in Coyote Brown. This guide provides essential safety instructions to ensure the proper use and maintenance of your sling. It is important to read and understand these guidelines to ensure your safety and the safety of others.

General Safety Guidelines

- Ensure that all users are familiar with the sling's features and functionality.
- Regularly inspect the sling for signs of wear or damage before each use.
- Use the sling only for its intended purpose, which is to carry firearms securely.
- Keep the sling away from children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the sling.
- Do not exceed the weight limit of the sling as specified by the manufacturer.
- Avoid using the sling in adverse weather conditions that may compromise its integrity.
- Ensure that the QD swivels are securely locked in place before use.
- Be cautious of entanglement with the sling during movement.

Instructions for Installation and Usage

1. Installation:

- Identify the attachment points on your firearm.
- Attach the QD swivels to the designated mounting points, ensuring a secure fit.
- Adjust the sling length to your preferred carry position.

2. Usage:

- To carry the firearm, place the sling over your shoulder and adjust for comfort.
- Ensure that the firearm is securely held in place by the sling while in transit.
- When using the firearm, remove the sling from your shoulder to ensure full mobility.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the sling in regular household waste if it contains nonbiodegradable materials.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact information provided with your product packaging. Always keep the product manual for reference.

By following these safety instructions, you can ensure a safe and effective experience with your Heavy Carbine Sling. Thank you for your attention to these important guidelines.
