

# ADJUSTABLE AICS/AW MAG POUCH - AICS/AW MAG POUCH, COYOTE BROWN

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Magazine Belt Pouches](#)

## The Perfect Pal for your PALS Webbing

The Armageddon Gear Adjustable AICS/AW Mag Pouch securely holds your rifle magazine on either PALS webbing or any belt up to 2 inches in width. The innovative adjustment mechanism allows use with 10-rd AICS mags or shorter 10-rd AW mags and 5rd AICS mags. By adjusting the cord through the pop-lock retainer, you can adjust the height of your mags within the pouch to ensure easy access and removal of different magazine sizes. Made from heavy-duty Milspec nylon webbing for increased abrasion resistance and durability. Velcro-secured flap retains your magazine firmly to prevent noise and movement while allowing rapid withdrawal.

# Safety Instruction Guide for Adjustable AICS/AW Mag Pouch

## Introduction

Thank you for choosing the Adjustable AICS/AW Mag Pouch from Armageddon Gear. This product is designed to provide secure storage for your rifle magazines while ensuring ease of access. To ensure safe and effective use of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- **Product Safety:** This product meets the safety requirements outlined by the EU General Product Safety Regulation (GPSR). It is designed for safe use in accordance with the intended purpose.
- **Enhanced Recalls:** In the event of a safety issue, standardized recall notices will be provided. Consumers will be informed about any necessary remedies for dangerous products.
- **Online Shopping:** This product is available through online platforms that comply with safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups. Ensure that this product is not used by children without adult supervision.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about unsafe products through the EU Safety Gate system, which provides timely updates.

## Specific Safety Precautions for Use

- **Inspect Before Use:** Always inspect the mag pouch for any signs of wear or damage before use. Do not use if damaged.
- **Secure Attachment:** Ensure that the pouch is securely attached to the PALS webbing or belt before inserting magazines.
- **Proper Magazine Fit:** Use only compatible magazine types (10rd AICS, 10rd AW, and 5rd AICS) to prevent malfunction.
- **Avoid Overloading:** Do not overload the pouch beyond its intended capacity to maintain safety and functionality.
- **Keep Away from Heat:** Avoid exposing the pouch to extreme heat sources, as this may damage the material.
- **Regular Maintenance:** Clean the pouch regularly to avoid buildup of dirt or debris that may affect its usability.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the PALS webbing or belt where you will attach the mag pouch.
- Slide the attachment straps of the pouch through the webbing or belt loops securely.
- Ensure the pouch is positioned at a comfortable height for easy access.

### 2. Adjusting for Magazine Size:

- To adjust the height for different magazine sizes, locate the cord and poplock retainer.
- Pull the cord to increase or decrease the height as needed, ensuring magazines are easily accessible.
- Lock the cord in place by securing the poplock retainer.

### 3. Loading the Mag Pouch:

- Insert the magazine into the pouch, ensuring it fits snugly.
- Secure the Velcro flap over the magazine to prevent movement and noise during transport.

### 4. Removing the Magazine:

- To withdraw the magazine, lift the Velcro flap and pull the magazine out in a smooth motion.
- Always ensure that you are in a safe environment before removing the magazine.

## Disposal Instructions

- **Recycling:** Dispose of the mag pouch in accordance with local recycling regulations. The pouch is made from durable Milspec nylon, which may be recyclable.
- **NonRecyclable Materials:** If the pouch is damaged beyond use, dispose of it as per local waste management guidelines for nonrecyclable materials.
