Smaller, But Just as Good

Bigger is better right? Actually through research and development Armageddon Gear discovered that more mass equals more stability when paired with a pliable textile such as their exclusive waxed canvas. They have created the newest tool for your precision toolkit that requires less bulk and volume to achieve those game-changing results that you expect. This is not just a scaled down version of Reasor Precision's iconic shooting bag, rather the perfect blend of size and weight with new innovative fill technology extensively tested to deliver more hits on target. Ideal for rifles with the balance point somewhere between the magazine well and bipod. For use at the patent-pending "Grasping Front Support" utility or used at the butt stock for a versatile rear bag to go from 1 inch to over 6 inches of vertical adjustment for any situation. Armageddon Gear combined superior geometry with advancements in micro fills to deliver a new solution for adventure competitors, hunters, and marksmen that want to do more with less. Weight 5 lbs (heavy fill) Weight 3 lbs (light fill) 7"L x 4.5"w x 5"T Durable Waxed Canvas and Bison Leather Durable silica based, subangular mineral filler Fully sewn with single integrated leather handle Proudly made in the USA Most positional shooting bags are not filled firmly on purpose. The reason being a loose filled bag will fill in gaps, drape across obstacles, and create a more stable shooting platform than a firm filled bag.

Safety Instruction Guide for PINTSIZED GAME CHANGER

Introduction

Thank you for choosing the PINTSIZED GAME CHANGER, a lightweight shooting bag designed for stability and versatility. This guide provides essential safety instructions to ensure safe usage and maintenance of the product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the shooting bag before each use for signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product in conditions where it may become damaged or compromised.
- Report any unsafe product issues to the relevant authorities.

Specific Safety Precautions for Use

- **Weight Considerations:** The PINTSIZED GAME CHANGER is available in two weights (5 lbs heavy fill and 3 lbs light fill). Choose the appropriate weight based on your shooting needs and physical capability.
- **Stability:** Ensure the bag is placed on a stable surface when in use. Avoid using the bag on uneven terrain or unstable platforms.
- **Proper Handling:** Use the leather handle to carry the bag. Avoid lifting the bag by its fabric to prevent tearing.
- **Shooting Position:** When using the bag for support, ensure it is positioned securely to prevent slipping during use.
- **Adjustment:** Adjust the height of the bag as needed for your shooting position. The bag can be adjusted from 1 inch to over 6 inches in vertical height.

Instructions for Installation and Usage

1. **Preparation:** Before use, ensure the shooting bag is clean and free from debris.
2. **Placement:** Position the bag at the desired location, ensuring stability. For the "Grasping Front Support," place it securely under the rifle's foreend.
3. **Adjusting Height:** Use the bag at the butt stock for rear support. Adjust the height as necessary for your shooting stance.
4. **Shooting:** Once positioned, take your shot while maintaining a stable grip on the rifle. Ensure your body is aligned for optimal balance.
5. **PostUse Care:** After use, remove any dirt or debris from the bag. Store in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling the materials if possible, especially the waxed canvas and leather components.
