

# LIGHTWEIGHT HEADBAND WRAP, MULTICAM

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muff Accessories](#)

## Stay Cool While Keeping Your Hearing

Armageddon Gear's Lightweight Headband Wrap is a super-simple and no BS piece of kit that's designed to do several things for you. Just about every earmuff on the market has a headband made of black plastic or rubber. Summer sun heats this headband up to brain-burning temperatures. The Lightweight Headband Wrap provides layers of protection to significantly reduce this temperature and heat transfer to your sensitive noggin. Thoughtful material selection and smart design keep the Lightweight Headband Wrap trim and add little thickness to your muffs to ensure ease of use and comfort when worn under a modern combat helmet. Perhaps most of all, the Lightweight Headband Wrap in camo pattern just looks bad ass on the range. Armageddon Gear uses only high-quality US-made materials and every piece is designed to withstand hard use. Like everything Armageddon Gear makes, the Lightweight Headband Wrap is proudly made in the USA.

# Lightweight Headband Wrap Safety Instruction Guide

## Introduction

Thank you for purchasing the Armageddon Gear Lightweight Headband Wrap. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read and follow these guidelines carefully.

## General Safety Guidelines

- Ensure the Lightweight Headband Wrap is used only as intended, to provide comfort and protection while wearing earmuffs.
- Inspect the headband wrap before each use for any signs of wear or damage. Do not use if damaged.
- Keep the product out of reach of children to prevent accidental choking or injury.
- If you experience any discomfort while using the headband wrap, remove it immediately and consult a medical professional if necessary.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Avoid using the headband wrap in extreme weather conditions that may cause overheating or discomfort.
- Do not modify the headband wrap in any way, as this may compromise its safety and effectiveness.
- Ensure that the headband wrap is properly fitted to your earmuffs to prevent slipping or movement during use.
- Be cautious when wearing the headband wrap under a helmet; ensure it does not interfere with the helmet's fit or function.
- Regularly clean the headband wrap according to the care instructions to maintain hygiene and performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have a clean and dry Lightweight Headband Wrap.
- Gather your earmuffs that the headband wrap will be used with.

### 2. Installation:

- Slide the Lightweight Headband Wrap over the headband of your earmuffs, ensuring it is positioned evenly.
- Adjust the wrap as necessary to ensure a snug fit without excessive tightness.

### 3. Usage:

- Put on your earmuffs with the headband wrap in place.
- Adjust the earmuffs for a comfortable fit over your ears, ensuring the headband wrap does not interfere with the seal of the earmuffs.
- If you experience any discomfort, remove the earmuffs and check the fit of the headband wrap.

### 4. PostUse:

- After use, remove the headband wrap from the earmuffs.

- Clean the headband wrap according to the care instructions provided by the manufacturer.

## **Disposal Instructions**

- Dispose of the Lightweight Headband Wrap in accordance with local waste management regulations.
- If the product is damaged or no longer usable, ensure it is disposed of in an environmentally friendly manner.

## **Contact Information for Further Support**

For any questions or concerns regarding the Lightweight Headband Wrap, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can enjoy the benefits of your Lightweight Headband Wrap while ensuring your safety and comfort. Thank you for choosing Armageddon Gear.
