The Cleanest, Most-Crisp Trigger Pull Found on the Market Today

One of the pioneers in the huge market for Glock trigger upgrades was Zev Technologies, a company that found incredible success in competition with its trigger enhancements. To improve the product, though, Zev's engineers went back to the drawing board and spent thousands of hours designing an improved trigger upgrade. The result was the Zev Technologies Glock Pro Flat Face Trigger Upgrade Kit. Each Zev Glock Pro Flat Face Trigger Upgrade Kit developed through hundreds of thousands of rounds of testing, leading to the design of a proprietary trigger bar and connector that offer the cleanest, most-crisp trigger pull found on the market today. The new trigger pad is built with a riveted assembly that makes it one of the most-durable replacement options available to today's Glock users. The Zev Pro Flat Face Trigger Upgrade Kit is compatible with Glock Gen 5 models of the G19, G17, G34, G19X and G45.

Attributes

- Name: [PRO FLAT FACE TRIGGER UPGRADE BAR KIT FOR GLOCK G5 BLK/BLK](#)
- Manufacturer: [ZEV TECHNOLOGIES](#)
- Product no.: 100033395
- Mfr. No.: FFTPROBAR5GBB
- Finish: Black/Black
- Make: Glock
- Model: 17,19,19X,34,45,Gen 5
- Style: Flat,Upgrade Kit
- Delivery weight: 0.454kg
- Shipping height: 25mm
- Shipping width: 114mm
- Shipping length: 178mm
- UPC: 811338032669

Item details

Made in USA

US export classification: 0A501.c

Safety Instruction Guide for PRO FLAT FACE TRIGGER UPGRADE BAR KIT FOR GLOCK® GEN 5

Introduction

Thank you for choosing the PRO FLAT FACE TRIGGER UPGRADE BAR KIT FOR GLOCK® GEN 5. This guide provides important safety information and instructions to ensure the safe use and installation of your trigger upgrade kit. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's instructions.
- Always handle firearms responsibly and in compliance with local laws and regulations.
- Keep the trigger upgrade kit out of reach of children and unauthorized users.
- Regularly inspect the trigger upgrade kit for signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only install the trigger upgrade kit on compatible Glock Gen 5 models: G19, G17, G34, G19X, and G45.
- Do not attempt to modify the product beyond the manufacturer's specifications.
- Ensure that the firearm is unloaded and the magazine is removed before installation.
- Use appropriate tools and wear safety glasses during installation to protect your eyes.
- Avoid using the trigger upgrade kit in extreme temperatures or environments that may affect its performance.
- If you experience any issues with the trigger upgrade kit, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: a punch tool, hammer, and safety glasses.
- Ensure the firearm is unloaded and the magazine is removed.

2. Installation Steps:

- Remove the slide from the Glock firearm.
- Use the punch tool to remove the existing trigger pin.
- Carefully remove the existing trigger bar and connector.
- Install the new trigger bar and connector from the PRO FLAT FACE TRIGGER UPGRADE BAR KIT.
- Align the trigger pin holes and insert the trigger pin using the punch tool.
- Reassemble the slide onto the firearm.

3. Testing:

- Perform a function check to ensure the trigger operates correctly.
- Test the trigger pull in a safe environment, ensuring that the firearm is pointed in a safe direction.

4. Usage:

- Use the firearm in a safe and responsible manner, adhering to all safety protocols.

- Regularly maintain and inspect the trigger upgrade kit to ensure optimal performance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the trigger upgrade kit reaches the end of its life, dispose of it responsibly. Contact local recycling centers for guidance on proper disposal methods.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's website or contact authorized dealers.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your PRO FLAT FACE TRIGGER UPGRADE BAR KIT FOR GLOCK® GEN 5. Thank you for prioritizing safety!
