## The Cleanest, Most-Crisp Trigger Pull Found on the Market Today

One of the pioneers in the huge market for Glock trigger upgrades was Zev Technologies, a company that found incredible success in competition with its trigger enhancements. To improve the product, though, Zev's engineers went back to the drawing board and spent thousands of hours designing an improved trigger upgrade. The result was the Zev Technologies Glock Pro Flat Face Trigger Upgrade Kit. Each Zev Glock Pro Flat Face Trigger Upgrade Kit developed through hundreds of thousands of rounds of testing, leading to the design of a proprietary trigger bar and connector that offer the cleanest, most-crisp trigger pull found on the market today. The new trigger pad is built with a riveted assembly that makes it one of the most-durable replacement options available to today's Glock users. The Zev Pro Flat Face Trigger Gen 1-4 Upgrade Kit is compatible with Glock Gens 1-4 include the G19, G17, G22, G23, G26, G31, G32, G33 and G35.

# Safety Instruction Guide for PRO FLAT FACE TRIGGER UPGRADE BAR KIT FOR GLOCK® GEN 14

## Introduction

Thank you for choosing the PRO FLAT FACE TRIGGER UPGRADE BAR KIT for your Glock® Gen 14. This guide is designed to provide you with essential safety instructions and information to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always handle firearms and firearm accessories with care and responsibility.
- Ensure that your firearm is unloaded before installing or handling the trigger upgrade kit.
- Store the trigger upgrade kit in a secure location, out of reach of children and unauthorized users.
- Be aware of the legal requirements and regulations regarding firearm modifications in your country or region.
- Regularly check for any recalls or safety notices related to the product through official channels.

## Specific Safety Precautions for Use

- Only use the PRO FLAT FACE TRIGGER UPGRADE BAR KIT with Glock® models specified in the product description (Glock Gens 14).
- Ensure that all components of the upgrade kit are intact and undamaged before installation.
- Use proper tools and follow the installation instructions carefully to avoid injury or damage to your firearm.
- Do not attempt to modify or alter the trigger upgrade kit in any way.
- If you experience any issues with the trigger upgrade kit, discontinue use immediately and seek professional assistance.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your Glock® is unloaded and pointed in a safe direction.
- Gather the necessary tools for installation, including a punch tool and screwdriver.

### 2. Installation Steps

- Remove the slide and frame from your Glock® according to the manufacturer's instructions.
- Carefully remove the existing trigger components from the frame.
- Install the new trigger bar and connector from the PRO FLAT FACE TRIGGER UPGRADE BAR KIT into the frame.
- Ensure that all components are securely in place and functioning properly before reassembling the firearm.
- Reassemble the slide and frame, ensuring that everything is aligned correctly.

### 3. Testing

- After installation, conduct a function check to ensure that the trigger operates smoothly and safely.
- Test the trigger pull in a safe environment, ensuring that the firearm is still pointed in a safe direction.

#### **4. Usage**

- Always adhere to safe firearm handling practices when using your Glock® with the upgraded trigger.
- Regularly inspect the trigger upgrade kit for wear and tear, and replace it if necessary.

### **Disposal Instructions**

- Dispose of any old or unused trigger components in accordance with local regulations.
- Ensure that all firearmrelated materials are disposed of safely to prevent unauthorized access.

### **Contact Information for Further Support**

For any questions or concerns regarding the PRO FLAT FACE TRIGGER UPGRADE BAR KIT, please refer to the manufacturer's support resources. It is important to stay informed about product safety and updates.

### **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your PRO FLAT FACE TRIGGER UPGRADE BAR KIT. Always prioritize safety and responsibility when handling firearms and firearm accessories. Thank you for choosing our product.
